Department of Computer Technology

Report on Industrial Visit at Persistent Systems,NE Technologies on 11th March 2016 at Verna

Agenda:

This Big leading IT Industry give us an idea how to:

- Be a trusted partner for our customers
- Win as a team
- Demonstrate integrity, responsibility and quality in everything you do
- Be Persistent

About:

Persistent Systems was incorporated as Persistent Systems Private Limited on May 30, 1990. It was subsequently converted into a public Limited company on September 17, 2010 with the name Persistent Systems Limited and a new certificate of incorporation was issued on September 28, 2007 from the RoC.

Shares in the company were listed on the [National Stock Exchange of India](#) in March 2010. The operations of [Nagpur](#)-based Infospectrum India Private, an outsourced private development of US company Infospectrum, were taken over by Persistent in February 2011.
