

we build
**Arduino, ESP, STM
Development Kit**

These kits help students from schools and colleges to build their basics in IoT, Automation & Robotics.

TEAM :

- Rutvik Dongarwar
- Priyanshu Waghdhare
- Jay Jogi
- Prasanna Burankar

we're building **Long-Baseline CNC-Integrated Inspection Rover (LB-CIIR)**

The rover has the ability to cover large width depths. It has a camera setup to move down and share the images & videos. The Rover is build for the industrial requirement.

TEAM :

- Rutvik Dongarwar
- Priyanshu Waghdhare
