**Students Suggestions and Action Taken on Curriculum**

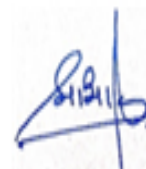

Sr.No.	Suggestions Given By Students	Action Taken
1	Study of Civil Software should be included in our Curriculum	Certificate courses like STAAD-PRO and Auto-Cad were conducted for the students. Students are made aware of latest technology through guest lecture also.
2	English speaking and learning courses should be provided	Skill Enhancement courses like workshops and Hands on training are organized on regular basis.
3	Practicals should be more interactive	To make Theory and practicals more interactive NPTEL videos and virtual labs were used.
4	Need upgradation in Theory and Practical.	Updation of topics will be conveyed to university through letters next year.

Date: 19-10-2020

Subject: Updation of syllabus in Civil Engineering Stream.

Respected Sir/Madam,

With reference to above subject, Priyadarshini College of Engineering has organized the meeting on 03-10-2020 in which industrialist, academicians and faculty of civil engineering from PCE were present. After detail discussion about curriculum and looking into the fast changing scenario we all together felt necessary to incorporate following topics in the syllabus. So that students of our university will be competent enough after their graduation.

We also request you sir to please keep it in the forthcoming BOS meeting.

Sr. No.	Core Area	Subject	Topics
1	Environmental Engineering. And Water Resources	Fluid Mechanics	Fundamentals and Applications of CFD in Civil Engineering
2	General Engineering	Construction Management and Law	Potential of Construction Sector in Achieving Sustainable Development Goals
3	Structural Engineering	Reinforced Cement Concrete	Pre-Engineered Building

Thank you in Anticipation

Dr. S A Dhale  
Head of the Department  
Civil Engg. PCE, Nagpur.
