6.3.3 Average number of professional development /administrative training programs organized by the institution for teaching and non teaching staff during the last five years

INDEX

Sr.No.	Dates (from-to) (DD-MM-YYYY)	Title of the professional development program organised for teaching staff	Title of the administrative training program organised for non-teaching staff	No. of participants
1	23/08/2020 to 27/08/2020	A program on "Research Methodology tools and Techniques" organized by Department of Mechanical Engineering.		22
2	5/11/2020 to 10/11/2020	Faculty development Program on" Industry 4.0"		26
3	25/01/2021 to 30/01/2021	Faculty development Program on " Additive Manufacturing & its challenges".		15
4	29/08/2020 to 29/08/2020		Hands on training in " Microsoft word and Excel"	5
5	11/11/2020 to 11/11/2020		Hands on training in " Microsoft Power Point presentation".	5
6	21/12/2020 to 26/12/2020	One Week Short Term Training Programme (STTP-Phase-I) On "Use of Modern Tools and Computing Skills for Engineers and Researchers"(Online Mode) organized by Priyadarshini College of Engineering Mechanical Engineering Department Sponsored by AICTE.		115
7	18/01/2021 to 23/01/2021	One Week Short Term Training Programme (STTP- Phase –II) On "Use of Modern Tools and Computing Skills for Engineers and Researchers"(Online Mode) organized by Priyadarshini College of Engineering Mechanical Engineering Department Sponsored by AICTE.		112

8	22/02/2021 to 27/02/2021	One Week Short Term Training Programme (STTP- Phase -III) On “Use of Modern Tools and Computing Skills for Engineers and Researchers”(Online Mode) organized by Priyadarshini College of Engineering Mechanical Engineering Department Sponsored by AICTE.		143
9	21 /12/2020 - 30 /12/ 2020	Two week FDP" Python + Machine Learning", Department of ET, PCE and APS Microtech Pvt. Ltd. Nagpur		160
10	12-12-2020	One Day Workshop on “Awareness to ETAP (Electrical Transient And Analyzer Program) software for EP department faculties”.		16
11	21-08-2020		Professional Development “Awareness of Handling & safety of Electrical equipment for EP department Non-Teaching faculties	6
12	29/4/21- 3/5/21	One week FDP on "Application of machine learning tools in civil engineering"		16
13	26-31 October 2020	AICTE Sponsored one week online STTP on “Recent trends and Applications in Analog VLSI Design”.		104
14	14-19 December 2020	AICTE Sponsored one week online STTP on “Recent Trends and Applications in Digital VLSI Design”.		82
15	22-27 March 2021	AICTE Sponsored one week online STTP on “Recent Trends and Applications of wireless Communication in VLSI Design”.		108

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide with the title "Schematics of Application of Mixing of Ingredients of Fertilizer". The slide content includes two photographs of industrial machinery used for fertilizer mixing. The top photo shows a large, complex machine with multiple rotating components. The bottom photo shows a long, horizontal cylindrical mixer. The Zoom interface includes a top bar with the meeting title "Research Methodology Tools and Techniques" and a participant list on the right with names: Mrs. Swapna Gha..., vijay chaudhari, and sandeep lutade. The bottom bar shows the time "11:55 AM" and the meeting ID "qcd-zgxv-xer".

2.Faculty development Program on " Industry 4.0"

About Institute

Priyadarshini College of Engineering, the Premier College of the Sanstha with 32 years of Proven Track Record, endeavors to impart academic excellence through promoting technology, scientific thinking and Corporate Social Responsibility. Priyadarshini College of Engineering has been awarded with **A+ grade status with CGPA 3.31 by NAAC** for a term of 5 years upto 27.03.2024. The institute has received accreditation for four of its programs, namely Civil Engineering, Mechanical Engineering, E&TC Engineering and Electrical Engineering for a period of 3 years, up to 03/06/2020 by **National Board of Accreditation (NBA)**, New Delhi. The Institute runs 7 undergraduate programs, 4 post Graduate Programs and 3 Ph.D. Programs. Institute has a strong faculty pool with 52 Ph.D. awarded and 32 ongoing. The Institute has also been conferred with **Grade A** by the Government of Maharashtra for Academic Excellence and is the recipient of **Platinum Rank Category in AICTE-CII survey in 2019**. The Institute has also received World Education Award, India's Education Excellent Award 2018, Berkshire Media USA; and Outstanding Engineering Institute for Research and Innovation held at 15th World Education Summit-2019.

About FDP

The FDP is about **Industry 4.0** which is the digital transformation of manufacturing/production and related industries and value creation processes.

Industry 4.0, the fourth industrial revolution, encompasses machine communication (M2M) and Internet of Things deployments to provide increased automation, improved communication and self-monitoring as well as smart machines that can analyze and diagnose issues without the need for human intervention. To explore the basic Knowledge about Industry 4.0 and to orient participants towards developing their own knowledge and knowhow in this field the FDP has been planned. It includes following topics.

- ❖ Industry 4.0/ Smart factory
- ❖ Automation with digital twin / Live demo on skillON365 product by MTAB
- ❖ Role of Industrial Robotics/ Additive Manufacturing
- ❖ Global Supply Chain Changes post COVID

Resource Persons

1. Dr. R. L. Srivastava, Professor, ME, YCCE, Nagpur
2. Arvind Ramchandran, Senior Manager (MTAB Technology Center, Chennai)
3. Dr. Shital S. Chiddarwar, Associate Professor (VNIT), Nagpur.

Registration Guidelines

- ❖ Register before 04th Nov, 2020

- ❖ E-Certificates will be provided to all the participants.

Registration Fees: Nil

6. One Week Short Term Training Programme (STTP-Phase-I) On “Use of Modern Tools and Computing Skills for Engineers and Researchers”(Online Mode) organized by Priyadarshini College of Engineering Mechanical Engineering Department Sponsored by AICTE.

About Institute

Priyadarshini College of Engineering, Nagpur the Premier College of the LTJSS Spread over a sprawling 72 acres, the campus is enriched with state of the art sports and recreational facilities. The Institute has 32 years of Proven Track Record, endeavors to impart Academic Excellence through promoting technology, scientific thinking and Corporate Social Responsibility. Priyadarshini College of Engineering has been awarded with **A+ grade status with CGPA 3.31 by NAAC** for a term of 5 years up to 27.03.2024. The institute has received accreditation for four of its programs, namely Civil Engineering, Mechanical Engineering, Electronica & Telecommunication and Electrical Engineering up to 30/06/2021 by National Board of Accreditation (NBA), New Delhi. The Institute runs **7 undergraduate programs, 4 post Graduate Programs and 3 Ph.D. Programs. Institute has a strong faculty pool with 50 Ph.D. awarded and 32 ongoing.** The Institute has also been conferred with **Grade A** by the Government of Maharashtra for Academic Excellence and is the recipient of **Platinum Rank Category in AICTE-CII survey in 2019.** The Institute has also received **World Education Award, India's Education Excellence Award 2018, Berkshire Media USA; and Outstanding Engineering Institute for Research and Innovation held at 15th World Education Summit-2019 and National Educational Excellence Award-2020.**

About STTP

The exposure and understanding of the contemporary significant software tools are necessary for researchers and professionals. Looking at the changing industrial scenario and the demands therein, it is absolutely necessary to be updated. Understanding above aspects, we have pleasure in designing a short-term course to make professionals thoroughly conversant in this field. This course is specifically designed to demonstrate the capabilities of various software packages, which are essentially to be employed in teaching learning, data analysis, compilation, documentation and presentation purposes. This STTP will enable them with necessary skills on Thesis writing, Research paper writing, Latex, Importance and techniques to avoid Plagiarism.

STTP Objectives

1. To make the participants well aware of need of improving the quality of research.
2. To make the participants aware of various techniques to formulate correlations and evaluate errors.
3. To improve the understanding of participants planning, design and analysis principles of Research Methods.
4. To make participants aware of various softwares involved in Research for design and analysis in current industries.
5. To make participants about importance of plagiarism and quality research papers.

About Mechanical Engineering Dept.:

Mechanical Engineering Department was established in 1990. The department runs UG, PG and Ph.D programmes. The intake of PG program is 25 in Mechanical Engineering Design from 2002-03. The department has highly qualified staff with research and industrial experience. Department undertakes R&D activities and consultancy assignments extensively. The students of the department also excel in the University and secure merit ranks every year. The head of the department is **Dr. K.S. Zakiuddin**. Department has received 4 RPS Grants and completed many consultancy projects. Facilities received No of National awards like **Best Teacher Award** from RTM Nagpur University and **U.P. Govt. award** from ISTE, New Delhi.

Resource Persons

Distinguished faculty members from the renowned Institutes like IIT, NITs, and experts from Industries and other leading Organizations will be delivering the Lectures/demonstrations.

Expected Outcomes

1. All the participants will understand techniques of problem identification and its formulation.
2. The participants will be able to comprehend the principles of development of Mathematical Correlation for generated Experimental and Field Data.
3. The participants will be able to use modern analysis software tools.
4. The participants will be able to understand the importance of plagiarism.
5. The participants will be able to demonstrate modern software like MATLAB, Scilab, ANSYS, Python and SPSS.
6. The participants will be able to write good research Papers and Proposals.
7. The participants will be made aware of the best practices for industries.

Registration Guidelines

- Register on following link

<https://forms.gle/AKcA7t4GBgdRWabdA>

- Seats are limited and selection will be based on first come first serve basis. Kindly register before 18th December 2020.
- Confirmation email will be sent to the selected candidates.
- E-Certificate will be issued to the participants who attend all sessions of the STTP and pass the Examination.

- Registration Fees: Nil

About Institute

Priyadarshini College of Engineering, Nagpur the Premier College of the LTJSS Spread over a sprawling 72 acres, the campus is enriched with state of the art sports and recreational facilities. The Institute has 32 years of Proven Track Record, endeavors to impart Academic Excellence through promoting technology, scientific thinking and Corporate Social Responsibility. Priyadarshini College of Engineering has been **awarded with A+ grade status with CGPA 3.31 by NAAC** for a term of 5 years up to 27.03. 2024. The institute has received accreditation for four of its programs, namely Civil Engineering, Mechanical Engineering, Electronica & Telecommunication and Electrical Engineering up to 30/06/2021 by **National Board of Accreditation (NBA)**, New Delhi. The Institute runs **7 undergraduate programs, 4 post Graduate Programs and 3 Ph.D. Programs. Institute has a strong faculty pool with 50 Ph.D. awarded and 32 ongoing.** The Institute has also been conferred with **Grade A** by the Government of Maharashtra for Academic Excellence and is the recipient of **Platinum Rank Category in AICTE-CII survey in 2019.** The Institute has also received **World Education Award, India's Education Excellence Award 2018, Berkshire Media USA; and Outstanding Engineering Institute for Research and Innovation held at 15th World Education Summit-2019 and National Educational Excellence Award-2020.**

About STTP

The exposure and understanding of the contemporary significant software tools are necessary for researchers and professionals. Looking at the changing industrial scenario and the demands therein, it is absolutely necessary to be updated. Understanding above aspects, we have pleasure in designing a short-term course to make professionals thoroughly conversant in this field. This course is specifically designed to demonstrate the capabilities of various software packages, which are essentially to be employed in teaching learning, data analysis, compilation, documentation and presentation purposes. This STTP will enable them with necessary skills on Thesis writing, Research paper writing, Latex, Importance and techniques to avoid Plagiarism.

STTP Objectives

1. To make the participants well aware of need of improving the quality of research.
2. To make the participants aware of various techniques to formulate correlations and evaluate errors.
3. To improve the understanding of participants planning, design and analysis principles of Research Methods.
4. To make participants aware of various softwares involved in Research for design and analysis in current industries.
5. To make participants about importance of plagiarism and quality research papers.

About Mechanical Engineering Dept.:

Mechanical Engineering Department was established in 1990. The department runs UG, PG and Ph.D programmes. The intake of PG program is 25 in Mechanical Engineering Design from 2002-03. The department has highly qualified staff with research and industrial experience. Department undertakes R&D activities and consultancy assignments extensively. The students of the department also excel in the University and secure merit ranks every year. The head of the department is **Dr. K.S. Zakiuddin**. Department has received 4 RPS Grants and completed many consultancy projects. Faculties received No of National awards like **Best Teacher Award** from RTM Nagpur University and **U.P. Govt. award** from ISTE, New Delhi.

Resource Persons

Distinguished faculty members from the renowned Institutes like IIT, NITs, and experts from Industries and other leading Organizations will be delivering the Lectures/demonstrations.

Expected Outcomes

1. All the participants will understand techniques of problem identification and its formulation.
2. The participants will be able to comprehend the principles of development of Mathematical Correlation for generated Experimental and Field Data.
3. The participants will be able to use modern analysis software tools.
4. The participants will be able to understand the importance of plagiarism.
5. The participants will be able to demonstrate modern software like MATLAB, Scilab, ANSYS, Python and SPSS.
6. The participants will be able to write good research Papers and Proposals.
7. The participants will be made aware of the best practices for industries.

Registration Guidelines

- Register on following link

<https://forms.gle/tbTrcRxoZgeb4VNC7>

OR USE LINK:

https://docs.google.com/forms/d/e/1FAIpQLSe8xWfNPYubE1foWXJ0sbhxBvHeA43REvunLH2iifNuTnX3hA/viewform?usp=sf_link

- Seats are limited and selection will be based on first come first serve basis. Kindly register before 17th January, 2021.
- Confirmation email will be sent to the selected candidates.
- E-Certificate will be issued to the participants who attend all sessions of the STTP and pass the Examination.
- Registration Fees: Nil

About Institute

Priyadarshini College of Engineering, Nagpur the Premier College of the LTJSS Spread over a sprawling 72 acres, the campus is enriched with state of the art sports and recreational facilities. The Institute has 32 years of Proven Track Record, endeavors to impart Academic Excellence through promoting technology, scientific thinking and Corporate Social Responsibility. Priyadarshini College of Engineering has been awarded with A+ grade status with CGPA 3.31 by NAAC for a term of 5 years up to 27.03. 2024. The institute has received accreditation for four of its programs, namely Civil Engineering, Mechanical Engineering, Electronics & Telecommunication and Electrical Engineering up to 30/06/2021 by National Board of Accreditation (NBA), New Delhi. The Institute runs 7 undergraduate programs, 4 post Graduate Programs and 3 Ph.D. Programs. Institute has a strong faculty pool with 50 Ph.D. awarded and 32 ongoing. The Institute has also been conferred with Grade A by the Government of Maharashtra for Academic Excellence and is the recipient of Platinum Rank Category in AICTE-CII survey in 2019. The Institute has also received World Education Award, India's Education Excellence Award 2018, Berkshire Media USA; and Outstanding Engineering Institute for Research and Innovation held at 15th World Education Summit-2019 and National Educational

About STTP

The exposure and understanding of the contemporary significant software tools are necessary for researchers and professionals. Looking at the changing industrial scenario and the demands therein, it is absolutely necessary to be updated. Understanding above aspects, we have pleasure in designing a short-term course to make professionals thoroughly conversant in this field. This course is specifically designed to demonstrate the capabilities of various software packages, which are essentially to be employed in teaching learning, data analysis, compilation, documentation and presentation purposes. This STTP will enable them with necessary skills on Thesis writing, Research paper writing, Latex, Importance and techniques to avoid Plagiarism.

STTP Objectives

1. To make the participants well aware of need of improving the quality of research.
2. To make the participants aware of various techniques to formulate correlations and evaluate errors.
3. To improve the understanding of participants planning, design and analysis principles of Research Methods.
4. To make participants aware of various softwares involved in Research for design and analysis in current industries.
5. To make participants about importance of plagiarism and quality research papers.

About Mechanical Engineering Dept.:

Mechanical Engineering Department was established in 1990. The department runs UG, PG and Ph.D programmes. The intake of PG program is 25 in Mechanical Engineering Design from 2002-03. The department has highly qualified staff with research and industrial experience. Department undertakes R&D activities and consultancy assignments extensively. The students of the department also excel in the University and secure merit ranks every year. The head of the department is Dr. K.S. Zakiuddin. Department has received 4 RPS Grants and completed many consultancy projects. Faculties received No of National awards like Best Teacher Award from RTM Nagpur University and U.P. Govt. award from ISTE, New Delhi.

Resource Persons

Distinguished faculty members from the renowned Institutes like IIT, NITs, and experts from industries and other leading Organizations will be delivering the Lectures/demonstrations.

Expected Outcomes

1. All the participants will understand techniques of problem identification and its formulation.
2. The participants will be able to comprehend the principles of development of Mathematical Correlation for generated Experimental and Field Data.
3. The participants will be able to use modern analysis software tools.
4. The participants will be able to understand the importance of plagiarism.
5. The participants will be able to demonstrate modern software like MATLAB, Scilab, ANSYS, Python and SPSS.
6. The participants will be able to write good research Papers and Proposals.
7. The participants will be made aware of the best practices for industries.

Registration Guidelines

- Register on following link

<https://forms.gle/AiDz3jfyYrCpisFt7>

OR USE LINK:

https://docs.google.com/forms/d/e/1FAIpQLSd0reFUHbhTDUeGxWJXUAKBkY53Mbj9yXtBmuCwQFSeMt0nQ/viewform?usp=sf_link

- Seats are limited and selection will be based on first come first serve basis. Kindly register before 21st February, 2021.
- Confirmation email will be sent to the selected candidates.
- E-Certificate will be issued to the participants who attend all sessions of the STTP and pass the Examination.
- Registration Fees: Nil

**9.Two week FDP “Python + Machine Learning” , Department of ET, PCE and APS
Microtech Pvt. Ltd. Nagpur.**

Organized By: Department of Electronics and Telecommunication Engineering Date: 30/12/2020
Participants: Total Participants 160 Faculty members of engineering college and professionals all over the world
Venue: Online Casting of Training on YouTube by APS Microtech Pvt. Ltd., Nagpur.
Event: Two week FDP on “Python + Machine Learning ”
Date : 21 Dec 2020 to 30 Dec 2020
Purpose: To conduct Faculty Development Program under Continuous Education Program (CEP Cell)
Faculty Members: Convener : Dr.Mrs. A.P.Ratikarhiwar Co Convener Dr. Mrs.P.U.Chal
Coordinator : Mrs.A.H.Charkhawali CoCoordinator : Mr.P.P.Ashankar
Resource Person : Mr.Prashant Jha, Director APS Microtech, Nagpur

Remark/conclusion: Faculty's from various Colleges and Organization all over World joined the Two week FDP. Python Language with exposure of Object Oriented Programming, Multi threading and other concepts were covered in detail. Its Application with Machine Learning was briefly covered and exposed. The concepts were nicely demonstrated and explained. Every Little Concepts of Python was demonstrated on the software also the installation tips were given by the expert Mr Prashant Jha and Mr. Ashish Gadpayle.

Participants shared their views and feedback on the FDP.

10. One Day Workshop on “Awareness to ETAP (Electrical Transient And Analyzer Program) software for EP department faculties”.

NAME OF EVENT:- One Day Workshop on “Awareness to ETAP (Electrical Transient And Analyzer Program) software for EP department faculties

NAME OF DEPARTMENT : Electronics & Power Engineering

DATE OF EVENT : 12-12-2020

OBJECTIVE:-. The objective of Power system analysis is for designing entire power systems consisting of generators, transformers, capacitor banks, shunt elements, transmission lines and so on. Electrical Transient Analyzer Program (ETAP) is an electrical network modeling and simulation software tool used by power systems engineers to create an "electrical digital twin" and analyze electrical power system dynamics, transients and protection

Following points are covered.

- 1)Load Flow Study
- 2)Short Circuit Analysis
- 3)Transient Stability study
- 4)Starting Analysis of Induction Motor

EVENT FACULTY INCHARGE: Dr.K.B.Porate

NO. OF PARTICIPANTS: 16 faculties from PCE, EP Dept

11. Professional Development “Awareness of Handling & safety of Electrical equipment for EP department Non-Teaching faculties

NAME OF EVENT:- Professional Development “Awareness of Handling & safety of Electrical equipment for EP department Non-Teaching faculties.

NAME OF DEPARTMENT: Electronics & Power Engineering

DATE OF EVENT : 21-08-2020

PURPOSE/OBJECTIVE:- Electrical safety precautions can protect against electrical shocks and burns, and authorities responsible for workplace safety ensure that workers are following the correct safety procedures while dealing with electricity. Electrical safety is important because hazards such as arc flash and shock can result in death if you are exposed to them. Fortunately, the likelihood of this occurring is relatively low. However, the control measures that prevent these hazards require careful management, attention to detail and technical competence.

Electrical Safety Tips for the Workplace

1. Prevent All Potential Contact With Live Electrical Current.
2. De-energize Equipment and Use Lockout/Tagout.
3. Ensure Safe Use of Electrical Equipment.
4. Install Proper Physical Barriers Around Electrical Hazards.
5. Beware of Conductive Tools and Cleaning Materials

EVENT FACULTY INCHARGE: Prof.S.C.Suke

NO. OF PARTICIPANTS: 6 Non Teaching faculties from PCE, EP Dept

**Lokmanya Tilak Jankalyan Shikshan Sanstha's

12. one week FDP on "Application of machine learning tools in civil engineering"

Civil Engineering Department

Date: 03/05/2021

Event Name: One-week Faculty development program on "Application of Machine Learning Tools in Civil Engineering".

Date of Event: 29th April 2021 to 3rd May 2021

Resource Person(s): Er. Swaarup Gandewar, Founder GTGP, Nagpur

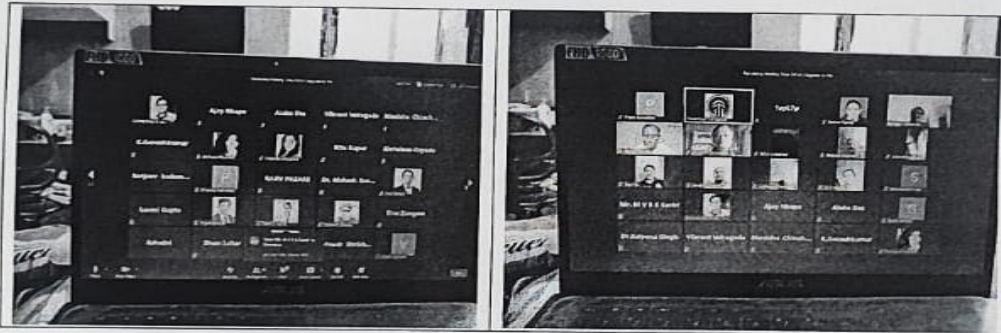

Faculty coordinator: Prof. V S Vairagade

Attended by: Faculties of various institutes.

Mode of Conduction: Online Zoom meet

No. of Participants: 16 nos.

Objective/Purpose: To understand the application of various of Machine Learning Tools in Civil Engineering.

Event Summary: The program was inaugurated in the presence Principal, Vice-principal and participants. Co-ordinator briefed about the program and sessions. Expert speaker Er. Swaarup Gandewar given excellent presentation and live exposure on the application of various of Machine Learning Tools in Civil Engineering.

Recent Trends & Applications in Analog VLSI Design

26th to 31st October 2020

Schedule

Day/Date	Time	Speaker	Topic
	10:30 to 10:45 am	Inauguration	
Day 1 26/10/20 Monday	10:45 am to 12:00 pm	Dr.R.M. Patrikar Professor VNIT,Nagpur	Analog VLSI design using MEMS
	12:00 to 1:30 pm	Dr.Surendra Rathod Professor & Head (Electronics Department) SPIT Mumbai	Evolution of Microelectronics & its future trends with respect to Nanometer era
Day 2 27/10/20 Tuesday	2:00 to 3:00 pm	Dr.D.Malathi, Professor Kongu Engg College, Erode, (TN)	Machine Learning using VLSI
	3:00 to 5:00 pm	L.V.Kedharnath Field Application Engineer, Entuple Technologies Pvt.Ltd.	Full Custom IC Design flow using Cadence
Day 3 28/10/20 Wednesday	2:00 to 3:00 pm	Dr.Prachi Palsodkar Asstt. Professor, YCCE ,Nagpur	Checkouts in Analog VLSI Design
	3:00 to 5:00 pm	L.V.Kedharnath Field Application Engineer, Entuple Technologies Pvt.Ltd.	Semi-Custom IC Design flow using Cadence
Day 4 29/10/20 Thursday	2:00 to 4:00 pm	Dr.Pravin Zode Asstt. Professor, YCCE ,Nagpur	Analog VLSI Design using SPICE
	4:00 to 5:00 pm	Shrutika Solat RF Design Engineer SM Technologies Pvt.Ltd	Introduction & Application of Voltage amplifier IC & design using EDA tool
Day 5 30/10/20 Friday	2:00 to 3:00 pm	Dr.Ketan Raut Asstt. Professor, VIIT Pune	Recent Trends in Low Voltage analog IC Design
	3:00 to 4:00 pm	Dr.P.R.Rothe Dean SW &C, PCE, Nagpur	VLSI Testing
	4:00 to 5:00 pm	Shrutika Solat RF Design Engineer SM Technologies Pvt.Ltd	Introduction & Application of Power Divider IC & design using EDA tool
Day 6 31/10/20 Saturday	2:00 to 3:00 pm	Mr. Vaibhav Pavnaskar Design Engineer, Microchip, Ireland	Recent Trends in analog RF IC Design
	3:00 to 4:00 pm	Mr. Uday P. Khambete Scientist Semiconductor Laboratory Department of Space , Mohali	Design for Reliability
	4:00 pm	Valedictory Function

Recent Trends & Applications in Analog VLSI Design

26th to 31st October 2020

Organized by : Internal Quality Assurance Cell & Department of Electronics Engineering.

Participated by : Research Scholars, Academicians from Electronics background across the country.

Mode of Conduction: Zoom Platform

Date: 26th Oct- 31st Oct 2020

Event: AICTE sponsored One Week Online Short Term Training Program on Recent Trends & Applications in Analog VLSI Design.

Objective: To educate and train the graduates with knowledge and skills necessary to formulate, design and solve problems in Analog, VLSI system design, and Hardware Software Co-Design.

To provide scope for Applied Research and innovation in the various fields of VLSI.

To explore new development & innovations & possibility of research in the recent trends in VLSI.

**Report on
AICTE Sponsored
One Week Online Short-Term Training Program (STTP)
On**

**Recent Trends & Applications in Digital VLSI Design
14th to 19th December 2020**

AICTE sponsored Online One Week Short Term Training Program on Recent Trends & Applications in Digital VLSI Design was held by Internal Quality Assessor Cell (IQAC), & Department of Electronics Engineering, PCE from 14th -19th December 2020.

This STTP aimed to give exposure to Recent Trends & Applications in the area of Digital VLSI Design.

Objectives:

- To recognize the role of Digital VLSI design in semiconductor industry & industrial challenges.
- For development of trained resources in VLSI design
- Interaction of the participants with the experts from academic institutes & Industry.
- To give insights about technological details of Digital VLSI- a) Static MOS gate circuits, b) High-Speed CMOS Logic Design, c) Transfer Gate and Dynamic Logic Design

Convener(STTP) - Dr. S.S. Shiramwar

Coordinators(STTP) - Dr. Mrs. M.V. Vyaswade, Mrs. A.P. Khandait, Mr. D. Meshram

INAUGURAL SESSION :

Program was inaugurated by Mr. Prashant K, Research Scientist, DRDO, Dr. M.P. Singh, Principal & Dr. S.A. Dhale, Vice-Principal, PCE

87 participants from all over India registered and participated.

TECHNICAL SESSIONS

Day-1(14/12/20):

Session-1: *Mr. Prashant K, Research Scientist, DRDO delivered expert talk on " VLSI design and its Applications"

Session-2: Dr. Praveen Dhakole, Professor, YOCE, Nagpur delivered expert talk on "Verification of digital VLSI Design, Functional Verification" He briefed about requirement of functional verification and design and verification of Digital VLSI System

Day -2 (15/12/20)

Session-1: *Dr. Nitin Narkhede K, Associate Professor, SKNEDC Nagpur delivered expert talk on " Assertion based Verification"

Session-2: Mr. Ajit Deshpande, Senior Engineer, Marvell Semiconductor delivered expert talk on "Design for Testability in VLSI Systems" His Talk Brought new insights in current research.

Session-3: Dr. Mrs. Anuja Ashedkar, Associate Professor, MITWPU, Pune delivered expert talk on "Gate Diffusion Input Technique" She also briefed about MOS Scaling techniques.

Day- 3 (16/12/20)

Session-1: *Dr. Surendra Rathod, Professor, SPIT, Mumbai delivered expert talk on " System Verilog based Verification" He shared his profound knowledge in practical aspects of Logical verification and structural testing.

Session-2: Mr. Rajkaj Bande, Chief Technology officer, Wipro, India delivered expert talk on "An approach of Embedded Systems, VLSI, IOT and AI towards Development of the Product". He inspired to improve our hunting for new ideas in product development.

email : principal.pce.ngp@gmail.com, www.pcenagpur.edu.in

Day- 4 (17/12/20)

Session-1: Dr. Mrs.Prachi Pabodkar, YOCE Nagpur delivered expert talk on "Obfuscation for Hardware Security"

Session-2: Dr.Sandeep Kakde, YOCE Nagpur demonstrated Hands on and talk on "Altera Quartus II EDA Tool"

Day- 5 (18/12/20)

Session-1: Dr. J.L.Mahar Iqbal, Veitech Rangarajan Dr.Saguntala R.&D Institute of Science and Technology, Chennai delivered expert talk on "Reconfigurable Computing"

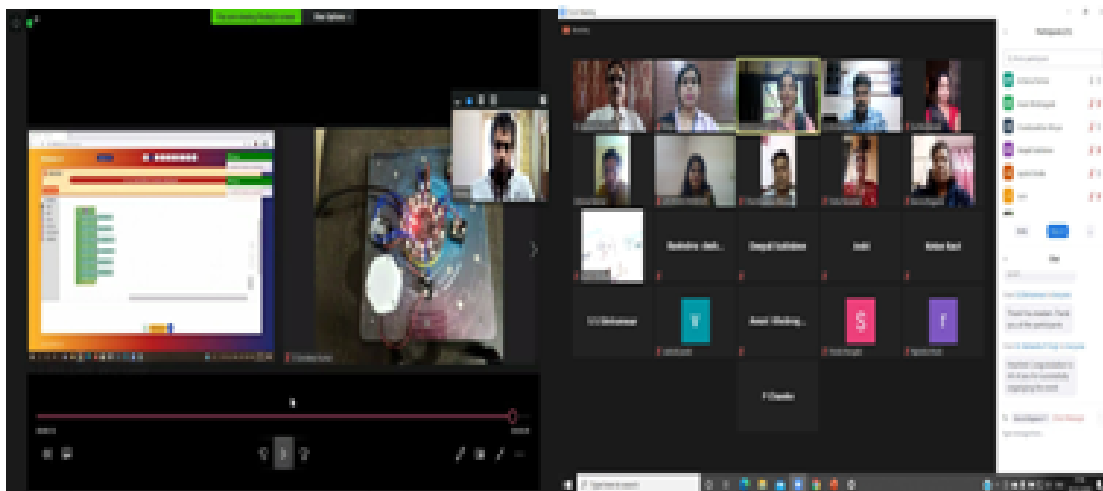

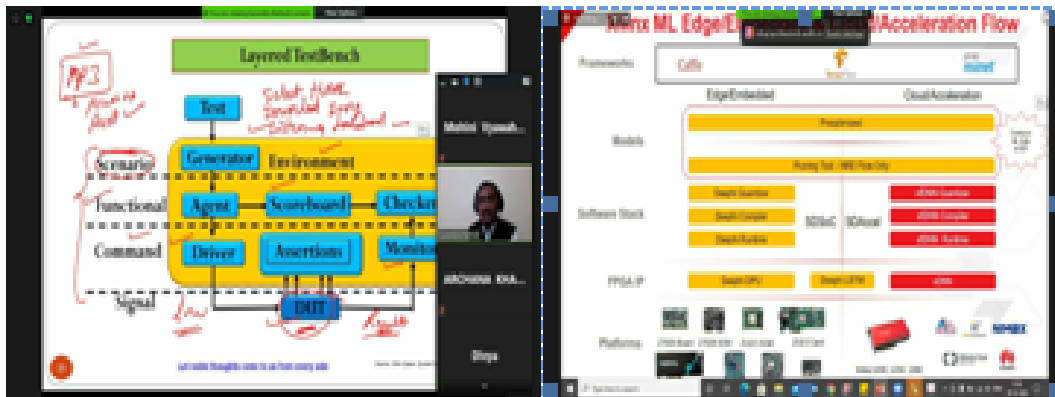

Session-2: Dr.Mrs.A.A.Khursid, RKNEC Nagpur delivered expert talk on "Applications of VLSI in Artificial Intelligence"

Day- 6 (19/12/20)

Session 1- Mr. Sachin Pampattinwar, Senior staff Engineer Qualcomm technologies International LTD. delivered expert talk on Advance techniques in Design verification

Session-2: Mr. Ashish Khachane, Senior Engineer Xilinx Excel point system LTD, Bangalore delivered expert talk on "AI/ML Product Development using Zynq MPSoC FFS-C"

Glimpses of STTP:

Concluding Remark : Overall feedback of the STTP was encouraging and was highly rated by the participants. The Participants shared their feedback positively about STTP. All the participants actively participated in all the sessions.

On

Recent Trends & Applications of wireless communication in VLSI Design

22nd to 27th March 2021

Organized by : Internal Quality Assurance Cell & Department of Electronics Engineering.

Participated by : Research Scholars, Academicians from Electronics background across the country.

Mode of Conduction: Google Meet

Date: 22nd March- 27th March 2021

Event: AICTE sponsored One Week Online Short Term Training Program On Recent Trends & Applications of Wireless Communication in VLSI Design.

Objectives: To recognize the role of VLSI Design in wireless communication system.

To discuss the hardware design issues for next generation wireless communication system using VLSI.

Insights about technological details of VLSI Circuits.

To educate and train the graduates with knowledge and skills necessary to formulate, design and solve problems in Wireless Communication using VLSI system design.

To provide scope for Applied Research and innovation in the various fields of VLSI.

To explore new development & innovations & possibility of research in the recent trends in Wireless communication.

Resource Persons:

Day/Date	Time	Speaker	Topic
Day 1 22/03/21 Monday	11:30 to 11:45 am	Inauguration	
	11:45 am to 1:00 pm	Prof. Mukul S. Sutaone Deputy Director College of Engineering, Pune	Evolution of Telecommunication Network : 1G to 5G

PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR

Department of Applied Mathematics(Mathematics Club)

A Report on

Workshop held on 29th,30th,31st October 2020 organized by Mathematics Club,Applied Mathematics Department of Priyadarshini College of Engineering .

COLLEGE : PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR

DEPARTMENT : Applied Mathematics

EVENT : Three Days National Level Workshop On "Research Techniques"

DATE: 29th,30th and 31st October 2020

Mode: Online Google Meet

PURPOSE/ OBJECTIVE: To enable the participants, define research problem, developing an approach to research problem and selection of suitable research design. To impart capabilities for formulation and testing of hypothesis based on the nature of research.

The objective of this workshop is to introduce the modern ways of conducting literature research, use of discovery tools and databases. The Workshop will help the participants in applying proper research methodology and improving their analysis by applying various statistical techniques using popular software also improve the research skills and competence among the researchers by strengthening their knowledge as well as improving researchers technical writing skill, etc.

RESOURCE PERSON : Dr. G.S.Khadekar, Dr.C.N Sakhale

No. Of Participants: 60

email : principal.pce.ngp@gmail.com, www.pcenagpur.edu.in

Name Of Event:- One Day workshop on "Provisions of the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS Agreement)" for EN faculties..

Name Of Department : Electronics Engineering

Date Of Event : 05-12-2020

Objective:- The objective of this workshop was to make aware to the faculty of Engineering profession about Provisions of TRIPS Agreement.

Event Faculty Incharge: Dr.(Mrs).M.V.Vyawahare

Name Of Speakers : 1.Dr.S.S.Shriramwar(HOD Engg)

Topic: Provisions of the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS Agreement)

No. Of Participants: 10 faculties from PCE ,EN Dept

Remark: A One day Workshop on "Provisions of the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS Agreement)" was organized by the Department of Electronics . The faculties from Electronics department of PCE Nagpur had participated . The event was very successful. Dr. M.P.Singh ,Principal, PCE, Dr.S.S. Shriramwar, HOD, Department of Electronics Engineering, Dr.P.R.Rothe,Asstt Prof, Department of Electronics Engineering and all the Faculty of Electronics deptt were present .

Conclusion: In this Event, faculties shared their knowledge,clear their doubt and expressed their views by asking various questions to experts and came to know about different areas of research.

17. One day Workshop on "Introduction to Ubuntu OS"

Priyadarshini College of Engineering, Nagpur
Department of Electronics Engg

Session 2020-21

One Day Workshop For Supporting Staff

Notice

Date :- 6/12/2020

The Department of Electronics Engg is scheduled to organize a one day workshop for supporting staff of the institute on " Introduction to Ubuntu OS " under Continuing Education Cell on 10th December 2020 at 2:00 pm to 5:00 pm at Room No.203 ,EN Engg Deptt, Wing F, Second Floor.

It is requested to attend this workshop which will provide the useful information.

Mrs. A.S. Khobragade

In-charge, One Day Workshop

Dr. S.S. Shriramwar

Dean Academics, HOD, EN Engg

Copy to,

- 1) Principal, PCE

email : principal.pce.ngp@gmail.com, www.pcenagpur.edu.in

WORKSHOP: One day Workshop on " Introduction to Ubuntu OS " on 10th Dec 2020 .

DEPARTMENT ORGANIZED: Department of Electronics Engineering.

PARTICIPATED BY: Technical Supporting Staff of all Departments of PCE, Nagpur.

PURPOSE: To Educate Technical supporting staff about Work Ethics.

RESOURCE: Mrs. P.J.Suryawanshi , Asst Prof, CSE Deptt, PCE,Nagpur .

NO.OF PARTICIPANTS : 12

REMARK: One Day workshop on "Introduction to Ubuntu OS" was organized by Department of Electronics Engineering on 10th Dec 2020 . The workshop was attended by 12 Technical Supporting Staff from all Departments of PCE, Nagpur. The details of basic objectives of Ubuntu Operating system and hand on practice were explained and conducted by expert. The workshop was very successful, Dr. M.P.Singh,Principal,PCE, Dr.S.S.Shriramwar, Dean Academics & HOD, Department of Electronics Engineering, Dr.P.R.Rothe, Dean Students Council & Asstt Prof, and all other staff were present during the workshop .

Conclusion :All the participants are satisfied and have given very good feedback about course coverage, personal attention and punctuality to start the workshop. They are very much interested to attend this type of workshop frequently in future.

Date:-12/04/21

LTJSS GROUP OF INSTITUTION
PRIYADARSHINI COLLEGE OF ENGINEERING

Department of Information Technology

Session: 2020-21

Name of program: One week workshop on python

Name of course: Python

Resource Person: Mr. Arpit Jain (Capgemini)

Participated By: Acaademicians (teaching staff) ,Students from PCE as well from other institutes.

Overview: Mr. Arpit Jain is conducted one week workshop on python . He is a full stack freelance developer from Indore, Madhya Pradesh. He has 9 years of industry experience working in Finance, Market Research & IT domain that includes 4 years of experience working as a Full Stack software developer. He loves reading new development in the IT industry, learning new stacks and extending the acquired knowledge to the community.

Python is an interpreted high-level general-purpose programming language. Its design philosophy emphasizes code readability with its use of significant indentation. Its language constructs as well as its object-oriented approach aim to help programmers write clear, logical code for small and large-scale projects.

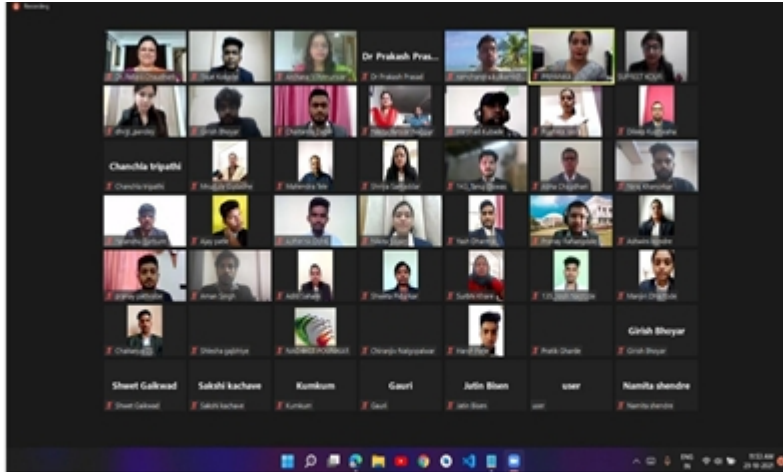

Python is dynamically-typed and garbage-collected. It supports multiple programming paradigms, including structured (particularly, procedural), object-oriented and functional programming. It is often described as a "batteries included" language due to its comprehensive standard library.

Guido van Rossum began working on Python in the late 1980s, as a successor to the ABC programming language, and first released it in 1991 as Python 0.9.0. Python 2.0 was released in 2000 and introduced new features, such as list comprehensions and a cycle-detecting garbage collection system (in addition to reference counting). Python 3.0 was released in 2008 and was a major revision of the language that is not completely backward-compatible. Python 2 was discontinued with version 2.7.18 in 2020. Python consistently ranks as one of the most popular programming languages.

19. One day Workshop on "How to use Ubuntu "

LTJSS GROUP OF INSTITUTION
PRIYADARSHINI COLLEGE OF ENGINEERING

Department of Information Technology

Session: 2020-21

Name of program: One day workshop on Ubuntu Operating System

Name of course: How to use ubuntu

Resource Person: Prof. M.M. Gudadhe

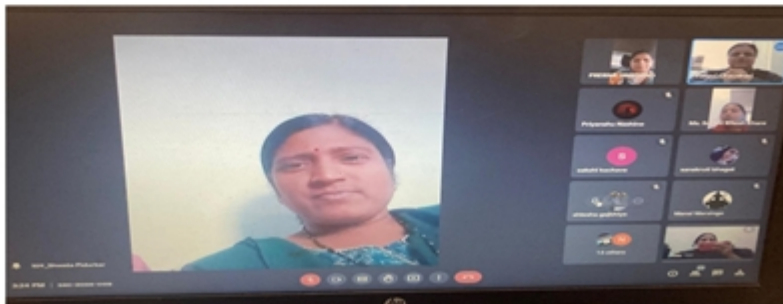

Participated By: Non-teaching staff.

Overview: Mrs. M.M. Gudadhe is conducted **One day workshop on Ubuntu** . She is a Asst..Professor of IT department .She has 18 years of Teaching experience .She Published many papers in International Journal and Conferences.

Ubuntu is a Linux-based operating system. It is designed for computers, smartphones, and network servers. The system is developed by a UK based company called Canonical Ltd. All the principles used to develop the Ubuntu software are based on the principles of Open Source software development.

Following are some of the significant features of Ubuntu –

- The desktop version of Ubuntu supports all the normal software on Windows such as Firefox, Chrome, VLC, etc.
- It supports the office suite called LibreOffice.
- Ubuntu has an in-built email software called Thunderbird, which gives the user access to email such as Exchange, Gmail, Hotmail, etc.
- There are a host of free applications for users to view and edit photos.
- There are also applications to manage videos and it also allows the users to share videos.
- It is easy to find content on Ubuntu with the smart searching facility.

**"Syllabus designing workshop for the subject Mathematics-I and Mathematics-II" for B. E. First year for RTMNU, Nagpur
Report**

Department of Applied Mathematics conducted "Syllabus designing workshop for the subject Mathematics-I and Mathematics-II" for B. E. First year for RTMNU, Nagpur on 2nd December 2020 at T&P Seminar hall, PCE.

Dr. Sajid Anwar, BoS member and HoD, Applied Mathematics, Anjuman College of Engineering, Nagpur chaired the workshop. Dr. P. D. Shobhane, Senior faculty from Mathematics fraternity graced the occasion. Dr. M. P. Singh, Principal, PCE and Dr. S. A. Dhale, Vice Principal, PCE were present in the inaugural function of the workshop.

Dr.(Mrs.) A. A. Kulkarni, HoD, Applied mathematics, was Convener, Prof. R. N. Pakade and Dr. (Mrs.) K. G. Lokhande were coordinators for the program. Event is successfully conducted under the hard work of organising committee members Prof. M. R. Pund, Prof. S. B. Rokde, Prof. S.J. Tiwari .

Syllabus of Mathematics-I and Mathematics-II for B. E. First year of RTMNU, Nagpur is reformed in presence of following senior faculty members of various colleges.

Skill Development Series - Recent Technology
Details of Session

Session 1

Title of Webinar:- "Challenges and Opportunities in Antenna Design, Development & Fabrication"

Eminent Speaker:- Mr. Sumit Pillai, Manager application engineer.

Session 2

Title of Webinar:- "Physics online experiments using Tracker experiments" for Teaching Staff

Eminent Speaker:- Dr. Leena Joshi, Snt. Xavier college, Mumbai.

Session 3

Title of Webinar:- "Si - RF Technology",

Eminent Speaker:- Mr. Ayan Karmarkar, Dept. Of space, Govt. of india, Mohali Punjab

Session 4

Title of Webinar:- "Blockchain Technology"

Eminent Speaker:- Dr. Rashmi Jain, R.G.C.E.R Nagpur

Session 5

Title of Webinar:- "Awareness to ETAP (Electrical Transient And Analyzer Program) software for EP department faculties,

Eminent Speaker:- Dr. K. B. Porate, PCE, Nagpur

i)One day webinar on “Challenges and Opportunities in Antenna Design, Development & Fabrication”.

Priyadarshini College of Engineering, Nagpur
&
Altair Engineering, Bangalore

We are pleased to announce that Department of Electronics & Telecommunication Engineering in association with Altair, Bangalore is organizing a Live Session on Challenges & Opportunities in Antenna Design, Development & Fabrication.

Date: 17 July 2020
Time: 4.00 to 6.00 pm.

Resource Person:
Mr. Sumit S. Pillai
Manager-Application Engineering

Contents:

1. Basic aspects of Antenna Design
2. Development of Innovative Antennas
3. Fabrications & measurement aspects
4. Antenna Placements

Prior registration is mandatory. There is limitation of only 100 participants. For any query may contact Dr. (Mrs) Y.A. Nafde (yogita_nafde@gmail.com, Mobile No: 9325303279)

Registration Link: -
<https://attendee.gotowebinar.com/register/4450706220241534070>

Please register with the above link. After registration, you will receive a mail with details of the meeting e-certificate will be provided to all participants

iii)One day webinar on “Si – RF Technology”

IEEE BOMBAY SECTION

PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR

Affiliated to RTMNU Accredited NAAC A+ Grade

**Department of Electronics and Telecommunication
Engineering**

In Association with IEEE MTT-S Bombay Section

Presents Webinar on

"Si-RF Technology"

Presented By:

Shri Ayan Karmakar
Scientist/Engineer-SE
Semi-Conductor Laboratory,
Dept. of Space, Govt. of India, Mohali
Punjab

Webinar will be of immense use to Researchers, Academicians, Engineers & PG/UG students working in the field of RF/ Microwave Engineering, VLSI Technology & MEMS

Date and Time:
29/08/2020
4:00-5:30pm

Advisors:

Dr M.P Singh (Principal)
Dr S.A Dhale (Vice Principal)
Dr V.K Taksande (HOD)

FREE REGISTRATION | LIMITED SEATS

email : principal.pce.ngp@gmail.com, www.pcenagpur.edu.in

Organized-by: Electronics and Telecommunication Engineering Department, PCE, Nagpur
in association with IEEE Mumbai Section MTT-S Chapter

Date: 29/08/2020

Time: 4.00 to 5.30 PM

Event: A Webinar on "Si-RF Technology

Participated by: 42 (Faculties, Research Scholars & students)

Purpose: Silicon-RF Technology is targeting Silicon as a potential candidate for RF / Microwave applications. Keeping this in view Webinar is planned to organize for Researchers, Academicians, Engineers and PG/UG students working in the field of RF/ Microwave Engineering, VLSI Technology & MEMS.

Resource Persons: Shri.Ayan Karmakar, Scientist/Engineer-SE, Semi-Conductor Laboratory ,Dept. of Space , Govt.of India, Mohali, Punjab.

Event Photographs:

Remarks/Conclusion:

This webinar was organized in association with IEEE Mumbai section MTT-S Chapter using Google Meet. The resource person of the webinar Shri.Ayan Karmakar, Scientist, SCL, Dept. of Space, Govt of India was introduced by Shri.Ashok Jagatia ,Chair IEEE Mumbai section MTT-S Chapter. Dr.M.P.Singh sir welcomed our guest and had given the information about our college and all the courses running in our institute .

The very informative session was conducted by expert which gives the information about Micromachining, Silicon based VLSI fabrication process , bonding techniques, the concept of hanging inductors, Millimeter and THz technologies, emerging concepts of TSV ,Scanning, beam forming , Microwave filter and reconfigurable antennas etc.The total 42 participants have attended the Webinar. The main thing of this Webinar is that the participants from premier institutes such as VNIT,Nagpur, IITDM Jabalpur,NIT,Trichi, NIT,Vallore ,RCOEM and the others were Thagirajar college of Engineering, Madurai, SVS group ,GWCET, Nagpur were attended the webinar and appreciated it.

The webinar was planned under the guidance of Dr.Ashwini Kotrashetti, Secretary EEE MTT-S Mumbai section, H.O.D Dr.V.K.Taksande .Dr.(Mrs). Yogita A. Nafde coordinated the event.

iv)One day webinar Topic: Block chain Technology

Organized by: Department of Computer Technology and PCE ACM Student Chapter

Webinar Topic: Blockchain Technology

Date: 05 /11 /2020

Platform: Google Meet

Participants: 56 students and 10 faculty members from various Engineering Colleges and Universities.

Event coordinator and Faculty Sponsor PCE ACM: Mrs. Rubana Khan

Convener: Dr. (Mrs) N.M Thakare, HOD, Dept. of Computer Technology

Resource Persons:

Dr. Rashmi Jain

Assistant Professor, R.G.C.E.R, Nagpur

Objectives:

To develop the interest of students and faculty towards the current generation technologies popular across the globe like BLOCKCHAIN Technology and encourage them to pursue a successful career in the field of Computer Science.

Topics Covered:

- Basics of Blockchain
- History of Blockchain
- Working of Blockchain
- Types of Blockchain
- Brooklyn Microgrid (BMG Project, 2019)
- Platforms
- Applications and benefits of Blockchain

v)One Day Workshop on “Awareness to ETAP (Electrical Transient And Analyzer Program) software for EP department faculties”.

NAME OF EVENT:- One Day Workshop on “Awareness to ETAP (Electrical Transient And Analyzer Program) software for EP department faculties

NAME OF DEPARTMENT : Electronics & Power Engineering

DATE OF EVENT : 12-12-2020

OBJECTIVE:-. The objective of Power system analysis is for designing entire power systems consisting of generators, transformers, capacitor banks, shunt elements, transmission lines and so on. Electrical Transient Analyzer Program (ETAP) is an electrical network modeling and simulation software tool used by power systems engineers to create an "electrical digital twin" and analyze electrical power system dynamics, transients and protection

Following points are covered.

- 1)Load Flow Study
- 2)Short Circuit Analysis
- 3)Transient Stability study
- 4)Starting Analysis of Induction Motor

EVENT FACULTY INCHARGE: Dr.K.B.Porate

NO. OF PARTICIPANTS: 16 faculties from PCE, EP Dept

Lokmanya Tilak Jankalyan Shikshan Sanstha's

Priyadarshini College Of Engineering, Nagpur
One Page Report
EDP CELL
2020-2021

Organized By : *Dr. V. G. Girhepurje, In-charge*
EDP Cell, PCE Jointly in Association with MCED, Nagpur

Attended By : Faculties and Students from P.C.E. and from various corners of the country.

No. Of Participants : 761

Venue : MCED center

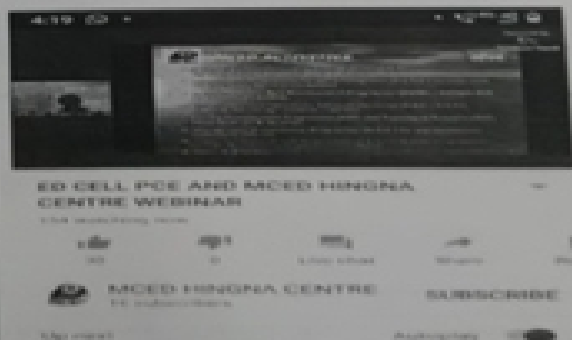

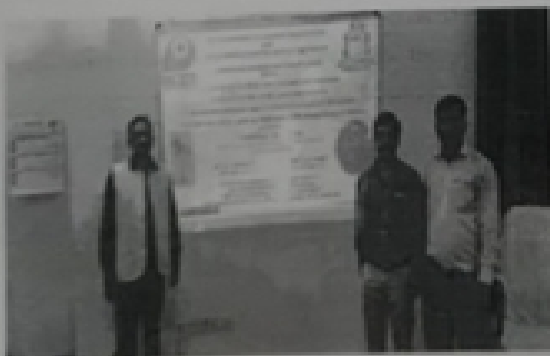

Date : 04/07/2020

Event : "Opportunities In Self Employment, Govt. Schemes & Subsidies" by MCED in association with PCE Nagpur

Purpose : As now a days an employment in Govt. Sector, Public sector as well as in the private sector are getting weaker and weaker, it is always worth to motivate the young techno crates towards the entrepreneurship. With this students may be motivated for the generation of Jobs rather than running behind the Jobs. Not only the students but even the Interested technical and nontechnical people may go for the mission being carried out by Ministry of MSME, Govt. Of India. The webinar is conducted to share an information of the available capital (non refundable) by MSME to set up the planned Business.

Resource person / Conducted by: Mr. Shrikant Kulkarni, Head, Nagpur section, Nagpur.

Event In-charges : Dr.V.G.Girhepurje (EDP Cell In-charge, PCE) and all EDP cell coordinators.

23.One day webinar on “COVID 19 Related Health Facilities & Support in India”.

Priyadarshini College Of Engineering Nagpur
Department Of Computer Technology

Webinar on COVID 19 Related Health Facilities & Support in India

Notice

All the faculties are informed that a webinar is organized for Non Teaching Staff on 23/June/2021. The topic is COVID 19 Related Health Facilities & Support in India.

The details are giving below.

Event : Webinar on COVID 19 Related Health Facilities & Support in India

Date : 23th June 2021

Platform : Google Meet

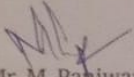

Participants : Non Teaching Staff of CT Dept., PCE Nagpur.

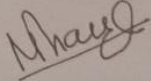

Resource Person: Mr. Nitin Chaudhary, CT Dept., PCE Nagpur.

Event Coordinator : Mr M Panjwani, CT Dept., PCE Nagpur.

Purpose/ Objective : :

1. To aware about COVID 19 support in India.
2. To aware about COVID 19 vaccination management in India.

25. Guest Lecture on "Physics online experiments using Tracker experiments" for Non Teaching Staff

Priyadarshini College of Engineering, Nagpur
Department of B.E. First Year
2020-21

A Report on Guest Lecture

Event: Guest Lecture on topic "Physics online experiments using Tracker software"
Department: First year, Applied Physics Session: 2020-21
Participated by: All Staff, Physics faculty of colleges of different states and students.
Platform: Google Meet Date: 03/08/2021
Purpose/ objective: The Guest lecture was useful to create awareness about how to use tracker software in Physics for conducting optical and mechanics experiments.
Resource Person : Dr. Leena Joshi, Assistant Professor, Department of Physics, Saint Xavier College, Mumbai
Event Coordinator: Prof. Satish Tiwari and Dr. M. B. Mohare (Departmental coordinator)

Conclusion/ Remarks :

Dr. Leena Joshi, gave a live demonstration on how to use tracker software in Physics for conducting optical and mechanics experiments. The use of each and every tab given in the software for conduction of experiments and their results were successfully explained by her. The faculty as well as students understood the detailed analysis of experimental data which can be done through tracker software. The event was hosted also on you tube. Dr. (Mrs) S.U. Bhonsale, HoD, Applied Physics, PCE highlighted the importance of using such e-learning software by students to enhance their knowledge in Physics education.

Dr. S.A. Dhale, Vice-Principal, PCE, emphasized upon the importance of using online learning facilities and software by students in current epidemic scenario. Dr. M.P. Singh, Principal, PCE, Dr. P.R. Rothe, Registrar, Dr. S.S. Shiramwar, Dean, Academics, PCE and Dr. (Mrs.) M.P. Joshi, Dean Academics, BE, First year, graced the event. The event was efficiently coordinated by Professor Satish Tiwari along with Students of first year. Faculty of Applied Physics Department worked hard for the success of this event.

Total No. of Student participants : 340
