Department of Computer Technology Activity Report 2022

Organized By: Department of Computer Technology

Event : "Awareness Program By Traffic Police Dept MIDC"

Date : 25 Feb, 2022

Resource Person : Mr Ravindra Drupal

Event Coordinator : Mr.Mahesh G. Panjwani, CT Dept.

Participants : Students and Staff of Computer Technology Dept., Nagpur.

Purpose/Objective: Whenever you drive follow the traffic rules, it is important to wear helmet while driving a two wheeler , obey the traffic lights to avoid accidents. One should always wear seat belt while driving a car. Avoid rash driving as fast speed is the core reason of accidents. Always carry all the paper of the vehicle.

Remark/Outcome:

All the Faculties and Students participated in the program actively.

6. World Nature Conservation day- 28/07/2022

"Look deep into the nature, and then you'll understand everything better."
On this World Nature Conservation Day, our team went on a Nature Trail at Ambazari Biodiversity Park. The motive was actually to sensitize our students towards Nature . We want our students to pay respect to nature which is the source of our existence.

Report on "Covid-19 Vaccination Drive"

Event Title	: Covid-19 Vaccination Drive
Event Date and Time	: 25th August 2022, 11.00 A.M.
Event Conduction Duration	: 1 day
Event Venue	: A-Building, First Floor, Knowledge Centre, Electrical Engineering Department, Nagpur.
Event Co-ordinator	: Prof. L.M. Bopche
Number of Participants	: 73 (students) + 04 (faculty members)
Objectives	: 1) To have protection and precaution against Covid-19 through the vaccination dose camp. 2) Vaccination booster dose was provided to faculty members and dose first / second to the students with lapsed due date and appropriate vaccine of Covishield / Covacin.
Outcome	: Students, faculty members and supporting staff of the Department enthusiastically involved and get benefitted from Vaccination Drive.

Dr. R. A. Keshwani
(Dr. R. A. Keshwani)

Session 2022-23

Department Organized: Electronics and Power (E&P) Department
Event: COVID-19 VACCINATION DRIVE
25/08/2022

Date:-

Event Co-ordinator: Dr.P.S.Gotekar, Mrs.R.Kinderle

Dignitaries: Dr.S.P.Muley, Dr. U.E.Hiwase, Dr.P.S.Gotekar, Mr.L.M.Bopche, Mr.C.N.Bhoyar, Mrs.R.Kinderle

Participated by: Faculty and students

Purpose / Objective:

1. To create awareness about COVID-19.
2. To create awareness about personal hygiene and precautions to protect from contracting COVID-19.
3. To prevent spread of COVID-19 by vaccinations.

Remark:

1. Awareness about spreading of COVID19 was generated among staff and students.
2. Precautions on how to prevent the spread of COVID19 was created among staff and students.

2. Rotary Green Morya- 25/08/2022

Every year, people ignore the environmental impact that the Ganesh idols have on nature. Therefore, we, the Rotaract club of PCE, took the initiative to take some stress off our mother nature by creating our Bappa with our own hands. We seek to make beautiful Ganesh idols that make our eyes pop and are also environment-friendly.

The Rotary Green Morya: Eco-Friendly Idol Making Workshop was organized by RAC PCE in collaboration with RCNMT.

A KIT was provided by our team at the minimum cost. Also, some trainers taught them how to make idols in a workshop. This project was a small step toward saving Mother Nature with the blessings of our beloved god, Ganpati Baapa.

Date: 10/10/2022

Department of Civil Engineering
Session 2022-23

Event Name: Founder's Day Celebration

Dignitaries: Prof. V. S. Ghutke, Co-ordinator, Civil Engg. Department, Dr. R. M. Dhoble, Prof. Civil Engg. Department, Mrs Deepali Khobragade, Vice President, Mr. Shende, Secretary of Punyai Old Age Home Nagpur.

Event Faculty Co-ordinators: Dr. P.T. Dhorabe, Prof. V.R. Agrawal

Venue: Punyai Old Age Home, Nagpur

Attended by: All faculties of Civil Engineering Department

Purpose / Objective:

1. A social activity on the occasion of Birth Anniversary of Hon'ble Chairman Dr. Satish Chaturvedi.
- 2) Extending a helping hand to old age home persons by distributing sweets and donating grains and grocery to the Punyai Old Age Home.

Remark / Conclusion:

A day well spent at Punyai Old Age Home, Nagpur to extend a helping hand by distributing sweets and donating grains and grocery among old age persons. More than 20 old age persons were present. Mrs Deepali Khobragade, Vice President, Punyai Old Age Home, Nagpur appreciated the initiative taken by the department.

Session (2022-2023)

Organized By	:	Department of Information Technology
Event	:	Founder's Day celebration 2022-2023
Date	:	10 th October 2022
Sem/Section	:	All Semester students
Platform	:	Sant Jagnade Maharaj High School, Nagpur
Participants	:	All IT department faculties and students
Event Coordinator	:	Dr.Archana Potnurwar(Asst.Professor,IT Dept)

Purpose/Objective :

The objective of celebrating "Founder's Day" is to commemorate those who founded the college and who have bequeathed resources to its development.

Traditional Day is a special occasion at PCE, IT where students, faculty, and staff come together to celebrate the rich past and promising future of the college. This day was celebrated by handing over the gifts to the authority of Sant Jagnade Maharaj High School. The gifts included set of speakers and podium stand.

Remark/outcome : The outcome is that the Founder's Day was successfully celebrated by helping the people in need.

Organized By : Department of Computer Technology

Event : " World AIDS Day "

Date : 1 December, 2022

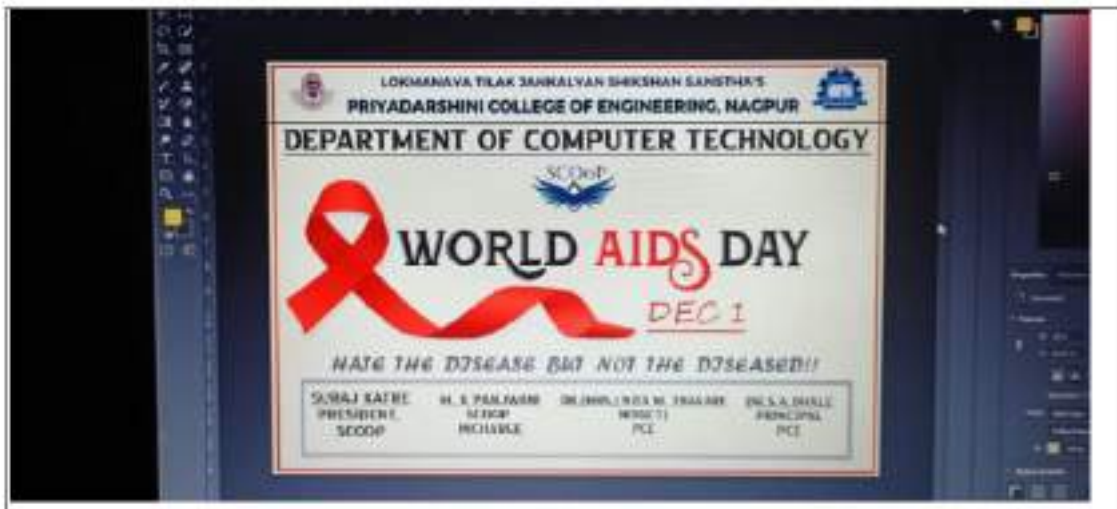

Resource Person : Dr. Mrs. N M Thakare, HOD, CT Dept.

Event Coordinator : Mr. Mahesh G. Panjwani, CT Dept.

Participants : Students and Staff of Computer Technology Dept., Nagpur.

Total no. of Students : 70, Girls : 40 & Boys : 30 Staff : 15

Purpose/Objective : World AIDS Day, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease. The acquired immunodeficiency syndrome (AIDS) is a life-threatening condition caused by the human immunodeficiency virus (HIV). Government and health officials, non-governmental organizations, and individuals around the world observe the day, often with education on AIDS prevention and control.

Remark/Outcome :

The awareness program on AIDS removed the biased elements regarding AIDS and they were made aware of tolerance and harmony that are entailed with AIDS patients.

Report

Guest lecture on “Chemical Free Lifestyle” organized for the students of B.Tech Biotechnology Students from Priyadarshini College of Engineering, Nagpur

Department: Biotechnology

Event: Guest lecture on “Chemical Free Lifestyle”

Venue: SINNO LAB, Department of Biotechnology, PCE, Nagpur (online)

Event Resource Person: Mr. Shrikanth RG

Founder trustee of the Bio Enzyme Entrepreneurs Academy of India and co-founder of Padayal Academy

Objective: Course Module on Advanced application in Biotechnology: Tools and Techniques based approach

Event Coordinator: Mr. Shubham Murai

Date: 29/03/2023

No. of Participants: 60

Shrekanth RG is a passionate promoter of eco-friendly practices and sustainable living. He is the founder trustee of the Bio Enzyme Entrepreneurs Academy of India and co-founder of Padayal Academy, he has bagged three-time world records for his NO OIL NO BOIL raw vegan natural food. Shrekanth has delivered an expert lecture on “Chemical free Lifestyle”. 60 students from all semesters were present online. The session was followed by a question and answer forum for students. This expert talk was organized as part of SYNAPSE activity of the student forum of the Department. Dr. M A Soni Head, Department of Biotechnology and Dr. S A Dhale Principal, PCE Nagpur appreciated the efforts taken by faculty and student volunteers.

Conclusion Remarks: Successfully completed the expert lecture on “Chemical Free Lifestyle”. Feedback from the students was taken in online format. Impact analysis showed that the curriculum gap of POs 4, 7, 9, 10, 11 and 12 & PSO 1,2 were fulfilled with substantial high levels.

ONE PAGE REPORT

Name of Event:- Blood Donation Camp

Date:- 31st March 2023

Time:- 11.00AM

Venue:- Seminar Hall of Aeronautical Engineering

Organized By:- Aeronautical Department, PCE Nagpur in collaboration with GSK Blood bank, Nagpur.

Faculty Co-ordinator:- Prof. Vishal Kaushik.

Dignitaries/ Guest for the Function:- Dr. P. B. Khope, Dr. Khandelwal

Faculties:- Prof. M. Mahore, Prof. S.N. Aware, Prof. A.T. Meshram, Prof. Vishal Kaushik, Prof. S. S. Giri.

No. of Students Participated:- Total of 55 Students and 10 faculty members.

Event Summary:-

Blood donation camp organized by **E.A.G.L.E. FORUM**, Department of Aeronautical Engineering in association with '**GSK Blood Center**'. A team of 10 doctors and nurses of GSK Blood Center came for collection of blood.

About 55 Student and Faculty member had volunteered for donating blood. A Certificate of appreciation, donation card, refreshment was given to each donor as a token of gratitude.

PRIYADARSHINI COLLEGE OF ENGINEERING
Department of Robotics and AI

Session 2022-23

Date: 04/05/2023

Name of the Department & Forum: Department of Robotics and Artificial Intelligence & FORAI

Title of the Activity: Blood donation Camp in Collaboration with GSK Blood Bank.

Name of Faculty Coordinator: Dr. (Mrs) M. V. Vyawahare , Mr.Harsh Dubey, Dr. (Mrs.) A. P. Khandait.

Brief Description of Activity: A blood donation Camp was organized by the department in collaboration with GSK blood bank to support those in need of it to save lives and to teach our students the purpose of this noble activity. In total 50 units blood was donated.

Session 2022-23

Date: 10/05/2023

Title of the Activity: Visit to Little convent school, CRPF Hingna Road for donating some specific requirements of the school on the occasion of Founder's Day

Brief Discussion about the activity: The Department of Robotics and Artificial Intelligence organized a program at Little Convent High School CRPF Gate. The school is having students from 1 to 10th standard. HOD R&AI interacted with 10th standard students and briefed them about the opportunities and the associated challenges which the students will face in coming days. Further Stationary items required for the development of the students along with Snacks were distributed among them. With a formal vote of thanks to the school management the program was culminated.

Outcome of the activity: An effort to provide an inclusive environment towards communal socioeconomic responsibility was demonstrated to our students who accompanied us through this activity.

HOD R&AI

Dr. (Mrs.). M.V. Vyawahare

Session 2022-23

Date: 24/05/2023

Title of the Activity: Boosting Confidence and Inclusiveness through Anger Management

Name of the Resource Person: Mr. Nakul Agarwal

Brief Discussion about the activity: The Department of Robotics and Artificial Intelligence organized a program for the students of Robotics and AI for Boosting Confidence and Inclusiveness through Anger Management. Considering the fact that the students are at teenager level which is basically very volatile and has countless doubts and questions because of their evolving emotions. The department took an initiative to address this through this program where Q&A session with Mr. Nakul Agarwal on issues faced by youngsters, from relationships, depression due to challenges of life and situations were thoroughly answered.

Outcome of the activity: An effort to provide an inclusive environment towards tolerance & harmony amongst our students was tried to be established through this activity.
