**CIRCULAR****Subject: Strict Compliance on Driving Without a License**

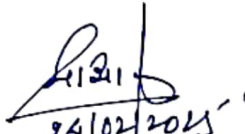

Dear Parents/Guardians,

It has come to our notice that some students are riding two-wheelers and four-wheelers without a valid driving license. This is a serious concern as it poses a threat to their safety and violates traffic laws.

We strongly urge all parents not to permit their wards to drive any vehicle unless they possess a valid driving license. Allowing underage or unlicensed driving can lead to severe consequences, including legal action on the Parent/Vehicle Owner and accidents, which may endanger their own lives and the safety of others also.

The institute stands firmly against any violation of traffic rules and expects the cooperation of parents in ensuring their children adhere to road safety regulations. Kindly counsel your ward on the importance of responsible driving and the legal implications of driving without a license.

We seek your support in fostering a culture of safety and responsibility among students. Your cooperation in this matter is highly appreciated.
