Academic and Administrative Audit

Action Taken Report

Department: Computer Science & Engineering

Date of Audit: 14/08/25

Name of External Auditor: Dr.Shrikant Zade

Criteria	Observations and Suggestions given by Audit committee	Action Taken
A. General Information	Department Vision & Mission is clearly defined and displayed and disseminated properly.	
B. Curriculum Planning and Implementation	Number of Students in Value added course to be improved . Overall Remark: “ Rest all is satisfactory”	Plan to introduce industry-relevant and skill-based Value added courses aligned with students’ academic and career interests.
C. Student Admission and Mentoring	TG Scheme to be implemented properly with meeting photos. Overall Remark: “ Rest all is satisfactory”	Structured implementation of TG Scheme , Regular meetings, Documentation and Monitoring will be done
D. Faculty Profile and Faculty Development	1.Faculty NPTEL certification needs improvement 2.Faculty publications and RnD to be improved Overall Remark: “ Rest all is satisfactory”	1.Faculty members were encouraged to enroll in NPTEL and SWAYAM courses aligned with their domain expertise. 2.Plan to form Research clusters to boost publication output and innovation.Encouraged Faculty to publish in Scopus Indexed Journals and UGC Care
E. Infrastructure and Resources	1.More Computer Labs required Overall Remark: “ Rest all is satisfactory”	The institution will initiate the process to enhance computing infrastructure by planning the establishment of additional computer labs.
F. Student Support System and Progression	1.Placement Count needs to be improved 2.Number of Awards received is Good Overall Remark: “ Rest all is satisfactory”	The institution will strengthen its placement cell by increasing industry outreach and organizing regular skill development workshops, mock interviews, and career counseling sessions. Collaborations with new companies have been initiated, and alumni engagement in placement activities has been

		enhanced to improve placement outcomes.
G. Industry Academic Interaction and Professional Activities	CSI/ACM/IEEE Student Chapter needs to be formed. Overall Remark: "Rest all is satisfactory"	The institution has initiated the process to establish student chapters of CSI, IEEE, and ACM. Faculty coordinators have been nominated, and necessary documentation and registration procedures are underway.
H. Continuous Evaluation	Mechanism of grievance redressal for Internal Exams to be included Overall Remark: "Rest all is satisfactory"	A formal grievance redressal mechanism for internal examinations has been established. Students can now submit their concerns regarding internal assessment through a structured process involving submission of a written grievance to the concerned faculty, followed by review by a departmental committee.

Academic and Administrative Audit

Action Taken Report

Department: Aeronautical Engineering

Date of Audit: 13/08/2025

Name of External Auditor: Dr. V.N. Bhaiswar

Criteria	Observations and Suggestions given by Audit committee	Action Taken
A. General Information	Update PAC and DAB documents. Signage's of Vision, Mission, PEO, PSO, PO to be updated	Prepared minutes of meetings of PAC and DAB. List of Signage's of Vision, Mission, PEO, PSO, PO is prepared for procurement.
B. Curriculum Planning and Implementation	Subject file needs to be updated with proofs of collaborative learning. Formation of COs, Mapping to POs, PSOs and Assessment process of all courses needs proper upgradation	Subject files updated with collaborative learning activities. Sessions of CO-PO formation and attainment conducted for faculties of Aeronautical Engg. Mapping and attainment of CO-PO is in process.
C. Student Admission and Mentoring	One page report for identify Slow and advanced learners not available.	One-page report for individual subjects were prepared.
D. Faculty Profile and Faculty Development	Some faculty have keen interest in research and NPTEL courses, but other faculties and junior faculties have very low research profile.	Faculties are encouraged for Research paper writing and most of the faculties registered for NPTEL courses.
E. Infrastructure and Resources	Departmental library needs to be updated. Labs needs proper maintenance, some instruments are not working.	List of Books is prepared for procurement and forwarded to main library for book purchase. Stock verification is done. Maintenance of old equipment and list of new equipment's required for purchase is prepared.
F. Student Support System and Progression	Documentation of alumni cell is poor.	Proper process of data collection of alumni implemented through Alumni cell.
G. Industry Academic Interaction and Professional Activities	Excellent, Faculty have established good relation with Industrial experts.	IPR workshop is planned in upcoming session.
H. Continuous Evaluation	Adequacy and Appropriateness of Assessment tools for PO, PSO attainment needs understanding of CO-PO mapping and attainment.	Conducted secessions on Vision , Mission, CO, PO, PEO, PSO mapping, attainment, Blooms Taxonomy, OBE, NEP are conducted.
