## Entrepreneurship Development - Institutional Association MOU

This non-binding memorandum of understanding ("MOU"):

Signed on

04 / 06 / 2018

BY AND BETWEEN:

Name:

PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR

Hereinafter referred to as "Partner Institute" (which expression shall, unless it be repugnant to the subject or context thereof, include its successors and permitted assigns).

Description:

The Priyadarshini College of Engineering, Nagpur, one of the leading Engineering Colleges in the progressive and most competitive State of Maharashtra, established in 1990, has been conferred "A" grade by the Government of Maharashtra on the basis of distinct infrastructure and academic achievements. Mechanical Engineering, Civil Engineering, Electrical Engineering, and Electronics and Telecommunication Engineering are accredited by National Board of Accreditation, New Delhi for three years. The college successfully continues to attract outstanding scholars from all over the Indian sub-continent. The setup of Priyadarshini campus on a sprawling 72-acres hilly terrain at Nagpur - the orange city, is situated at the heart of the Country.

Registered Office Address:

Priyadarshini College of Engineering,  
Priyadarshini Campus, Near CRPF Campus,  
Hingna Road, Nagpur - 440019,

## MEMORANDUM OF UNDERSTANDING

ENTERED INTO

ON **21ST DAY OF JULY 2018** TILL **20TH DAY OF JULY 2023**

BETWEEN

**AGREEN ALLIED SERVICES PVT LTD, NAGPUR**

AND

**PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR**

To promote research interaction and co-operation.

Lokmanya Tilak Jan-Kalyan Shikshan Sanstha (LTJSS) is well established and working for giving skilled workforce in the field of Engineering and Technology through its technical colleges at Nagpur and Mumbai. Priyadarshini College Of Engineering established in 1990 is one of the premier institutes run by the Sanstha.

**And**

Agreen Allied Services Pvt Ltd, Nagpur is an solar system integrator and EPC partner to set up various states of the art PV Solar Power Plant facilities. It has become well known for design, dedication, innovation , quality services for construction of grid connected solar power plant, roof top power plants, solar street light and solar and solar water pumping system.

We are hereby proposing the areas of collaboration and common points of consideration of an MOU which we wish to have with "Agreen Allied Services Pvt Ltd, Nagpur". The purpose of an MOU is to carry out mutually beneficial activities. During the period of MOU, both the institute and the company would try to cooperate and collaborate with each other in the identified areas of mutual interest for mutual development as detailed under:

*Handwritten signatures and date:*  
21/7/2018

### Common points of consideration-

1. The MOU does not imply any kind of financial obligation, unless agreed upon in writing, on either side and neither party can claim for any financial charges.
2. The association and activities carried out through the MOU should never be considered as an employment opportunity in any course of time by any individual concerned.
3. The MOU does not bind or compel either party to provide for the above mentioned favors to the other party and rather aims to build and foster a spirit of **Industry Institute Collaboration** for the mutual benefit while protecting the individual and mutual interests.
4. The MOU shall be effective from the date of signing/ approval through official mail and either party can terminate this arrangement by a simple written communication by a competent authority at any point of time.
5. Neither party shall be liable for any indirect, punitive, special, incidental or consequential damages arising out of or in connection with this understanding, whether for breach of this MOU or in torts, including loss of business, data, revenue and profits or for any third party claims against the other whatsoever.
6. Any and all the disputed, controversy or claims related to or arising in connection with this MOU shall be referred to the Chief Executive Officers of each of the parties for an informal solution.
7. Any interaction of any kind will have to be approved by the POCs of both the parties through mails/ letters/ invites etc.

This agreement intends to provide all the facilities as mentioned to students and faculties of Electrical Engineering, Mechanical Engineering and Electronics Engineering Department.

**HITESH LAHOTI & ASSOCIATES, PUNE**

**AND**

**PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR.**

To promote research interaction and co-operation.

Priyadarshini college of Engineering is one of the best Engineering colleges (PCE) in Nagpur. Established in 1990, it has made its mark as a progressive, industry oriented and innovative centre of learning for the budding Engineers. PCE's parent body is Lokmanya Tilak Jan-Kalyan Shikshan Sanstha (LTJSS). It is well established & working for giving skilled workforce in the field of Engineering & Technology through its colleges at Nagpur and Mumbai.

We are hereby proposing the areas of collaboration and common points of consideration of an MOU which we wish to have with Director, Hitesh Lahoti & Associates, Pune and Priyadarshini College of Engineering, Nagpur.

The purpose of an MOU is to carry out mutually beneficial activities. During the period of MOU, both the institute and organization would try to cooperate and collaborate with each other in the identified areas of mutual interest for mutual development as detailed under-

**Areas of collaboration/interaction-**

On its part, the Company / Organisation shall consider and try, to the extent possible-

1. To provide resource persons for Guest lecture/ workshops etc at the students & Faculty development programs conducted at the college from time to time.
2. To provide content for training of students & faculty on softwares like Staadpro, ETABS, SAFE and SAP.

# MEMORANDUM OF UNDERSTANDING

ENTERED INTO ON 13<sup>TH</sup> DAY OF JAN 2016

BETWEEN

AXIOM SOFTECH PVT. LTD. (Party No. -1)

AND

LOKMANYA TILAK JANKALYAN SHIKSHAN SANSTHA (Party No. -2)  
(PRIYADARSHINI GROUP OF INSTITUTIONS)

To promote interaction and co-operation.

This Memorandum of Understanding (MoU) is entered between Axiom Softech Pvt. Ltd. A company incorporated under the Indian Companies Act, 1956 having its registered office at G-5, Anand Rajani Apartment, LT. Park Road, Gayatri Nagar Ext, Shrinagar, Opp Datta Mandir, Nagpur-22 and represent by its undersigned of the ONE PART and Lokmanya Tilak Jankalyan Shikshan Sanstha represent by undersigned of the OTHER PART.

Whereas Axiom Softech Pvt. Ltd. and Lokmanya Tilak Jankalyan Shikshan Sanstha shall be hereinafter jointly referred to as the "Parties" and singularly as a "Party".

The Party No.-1 & Party No.-2 have decided to agree to establish industry-academic collaboration in area of mutual interest and in accordance with terms and conditions set forth in this Memorandum of Understanding (MoU). Axiom Softech Pvt. Ltd. and Lokmanya Tilak Jankalyan Shikshan Sanstha agree on following activities:

1. Axiom Softech Pvt. Ltd. will offer summer/winter Internship to students of Lokmanya Tilak Jankalyan Shikshan Sanstha at Axiom Softech Pvt. Ltd. so that the students get hands on experience of live project & live research. The number of students, who can be selected for internship, would be based on some criteria and exam.
2. Axiom Softech Pvt. Ltd. will arrange to provide periodic Industrial visits to students and faculty of Lokmanya Tilak Jankalyan Shikshan Sanstha at its sites to enable them to get practical exposure and learning from interaction with staff members of Axiom's research team.
3. Depending on requirement Axiom Softech Pvt. Ltd. may offer specific assignments with identified deliverable to be executed by Lokmanya Tilak Jankalyan Shikshan Sanstha. Detail modalities including financial would be mutually worked out for each assignment/project.
4. Axiom Softech Pvt. Ltd. may participate in campus placements to hire talent from Lokmanya Tilak Jankalyan Shikshan Sanstha
5. Lokmanya Tilak Jankalyan Shikshan Sanstha will give preference to officials of Axiom Softech Pvt. Ltd. in pursuing advanced Research and Development to students as per Axiom's requirement.
6. Axiom Softech Pvt. Ltd. may arrange technical workshops/Forum/Guest lecture in Lokmanya Tilak Jankalyan Shikshan Sanstha' colleges for faculty and students. Detail modalities including financial would be mutually worked out for each workshop/forum.
7. The parties mutually agree to share the information in hard and soft form available with them in strict confidence; and will respect the intellectual property rights of each other. If the decision not to peruse a collaborative activity is taken, all the information shall be returned to the rightful/source owner.

  
15-JAN-2016

39

8. The parties mutually agree to share infrastructure facilities like laboratories, class rooms, library, etc whenever required for execution of the various programs as per the mutually agreed schedule and conditions.

9. Each party shall appoint one nodal officer to take periodically review and identify ways to strengthen cooperation between both the parties.

This MoU will be effective from the date it is signed by representative of the parties. It will remain valid for the five years, and may be continued thereafter by suitable review and agreement. Either party may give MoU termination by giving written notice to other party six months in advanced. Once terminated, neither Axiom Softech Pvt. Ltd. Nor Lokmanya Tilak Jankalyan Shikshan Sanstha will be responsible for any losses, financial or otherwise, which the other party may suffer.

However Axiom Softech Pvt. Ltd. And Lokmanya Tilak Jankalyan Shikshan Sanstha will ensure that all activities in progress are allowed to be completed successfully.

IN WITNESS WHEREOFF the two parties have signed this understanding on the day and date as above.

**Memorandum of Understanding**

**Between**

**Priyadarshini Group of Institutions, Nagpur  
And  
Gentech Engineering Services, Nagpur**

This Memorandum of Understanding (MOU) is being executed to foster a friendly relationship between **Priyadarshini Group of Institutions, Nagpur** and **Gentech Engineering Services, Nagpur** through mutual cooperation in the areas of education and research. No financial obligations are assumed under this agreement.

**ARTICLE 1: SCOPE of COLLABORATION**

1.1 General Scope. Each institution/organization may offer to the other opportunities for activities and programs such as teaching, research, exchange of human resource development that will foster a collaborative relationship.  
1.2 Specific Activities. The financing of any of the activities mentioned in this agreement shall be dependent on the availability of funds and shall be subject to specific agreements by which these activities may be accomplished. The institution/organization contemplate implementation of programs or activities such as: a) joint educational and research activities, b) exchange of human resource for research, lectures, and discussions, c) participation in seminars and academic meetings, d) exchange of academic materials, publications, and other information, and e) special short-term academic programs.

1.3 Prior to initiating any specific activity or program, the institutions will negotiate and enter into a separate agreement, signed by the appropriate authorities at each institution/organization.

**ARTICLE 2: RENEWAL, TERMINATION, AND AMENDMENT**

2.1 Duration. This MOU shall remain in effect for a period of [five] years from the date of the last signature on the document (the "Anniversary Date") unless either institution provides the other written notice of its intention to discontinue no less than 60 days in advance of the then current Anniversary Date.

2.2 Extension and Renewal. The institution/organization may extend or renew this MOU by agreement, confirmed in a written amendment signed by the authorized signatory at each institution/organization.

2.3 Amendment. No amendment of the terms of this MOU will be effective unless made in writing and signed by each institution's authorized signatory.

**ARTICLE 3: GENERAL MATTERS**

3.1 Binding Obligations. This MOU is not intended to create any legally binding obligations but, rather, is intended to foster genuine and mutually beneficial academic collaboration.

3.2 Authorized Signatories. Each institution/organization represents that the individuals signing this MOU have the authority to sign on its behalf in the capacity indicated.

### Memorandum of Understanding

This Memorandum of Understanding (MOU) is signed between Research & Development Department of Priyadarshini Group of Institutions, Nagpur, Maharashtra - India and Ocean Wave Energy Company, U.S.A on 11<sup>th</sup> March 2016 with following points agreed by both organizations.

1. Both the parties shall be actively involved in Research & Development and for the skill developments of students / faculty of Priyadarshini Group of Institutions, Nagpur and others from all corners of society.
2. Both the parties shall be actively involved in identifying skill development / upgradation requirement of students / staff / faculty and subsequently organizing related training programmes / workshops / seminars as per the mutually agreed schedule and conditions.
3. Both the parties shall be actively involved in organizing workshop / seminars / conferences on technical topics as well as on contemporary issues of social importance.
4. Both the parties shall be actively involved in preparation and subsequent submission of joint proposals to various funding agencies like DST, AICTE, etc. and the funds will be managed and utilized by Research & Development of Priyadarshini Group of Institutions, Nagpur.
5. The parties mutually agree to share the information in hard and soft form available with them in strict confidence; and will respect the intellectual property rights of each other. If the decision not to pursue a collaborative activity is taken, all the information shall be returned to the rightful/source owner.
6. The parties mutually agree to share infrastructure facilities like laboratories, class rooms, library, etc whenever required for execution of the various programs as per the mutually agreed schedule and conditions.
7. The course materials developed as a result of joint activity will be shared by both organizations free of cost for academic purpose whereas its commercial use shall bring equal benefits to both the parties. Intellectual property rights / copy rights would be in proportion to the value of the contributions done by both the sides, however, the issue will be discussed at length and decided mutually on case to case basis.
8. The parties will work in the development of innovative programs for strengthening Research & Development as per the requirements.
9. Necessary faculty / staff / students support to execute various activities will be provided by the concerned department.
10. Any activity falling under 1 to 9 above and involving financial implications shall be mutually discussed and decided a priori pertaining to the contributions from the either side and the refund, if any.
11. The duration of MOU will be for five years from the date of signing and will be renewed with mutual consent of both the organizations.

# RENEWAL OF MEMORANDUM OF UNDERSTANDING BETWEEN

 <p>Italian National Research Council - Institute for the Study of Nanostructured Materials (CNR-ISMN) Italy</p> <p>hereafter referred as CNR-ISMN</p>	 <p>Priyadarshini Group of Institutions (Functioning under Lokmanya Tilak Jankalyan Shikshan Sanstha, Nagpur)</p> <p>hereafter referred as PGI</p>
---	--

Since the beginning of the MOU between CNR-ISMN and PGI, the two parties have been collaborating through a Short-Term Mobility CNR project entitled "IRON-BASED PEROVSKITE-TYPE CATALYSTS FROM RUST: A COOPERATION BETWEEN ITALY AND INDIA", which allowed Prof. Manisha Joshi visiting ISMN-CNR Palermo for 2 weeks, from 13 to 26 November 2016.

The obtained results were interesting and original and a manuscript entitled "Iron perovskites from rust wastes", by F. Deganello, M. Joshi, L.F. Liotta, V. La Parola, G. Pantaleo, is under preparation.

Therefore, the two parties agree that the MOU is renewed for another 2 (two) years at the same conditions decided in the original MOU, which is attached to the present letter. Each party can terminate this arrangement by a simple written communication by an authorized representative at any time.
