

INDUSTRY INSTITUTE INTERACTION CELL

Awards / Achievements:

“Gold” rank in AICTE-CII Survey 2018

Introduction and Objective of AICTE- CII Survey:

AICTE and Confederation of Indian Industry (CII) have been organizing a survey to identify best Industry linked Technical Institutes in India since from year 2012 on a yearly basis. This survey, which has been developed by CII in close consultation and coordination with AICTE, The result of survey is announced among three different rank based on the strength of the Industry linkages — Silver rank, Gold rank and Platinum, where platinum being the highest one.

The objective of the Survey is to assess the status of partnership between technical Institutions and /Industry. It has been designed keeping six basic parameters in mind such as curriculum, faculty, infrastructure, research and services / project & skill development, placements and governance. All parameters are examined purely from industry and output perspective and not from an academic perspective. AICTE-CII promotes and disseminates the findings of the survey widely in India and abroad through its network of. Citation in this survey provides institutes national-level recognition and opportunity for partnerships of various kinds with industries.

Participation details in AICTE- CII Survey:

The survey had two parts:-Short Survey and Full Survey

Short Survey: All **9576** technical institutes, which are required to take annual approval from AICTE for continuation of courses etc, were mandatorily made to provide basic data on industry linkages.

Full Survey: From the Short Survey, **3659** institutes were invited to participate in the Full Survey. Total **755** submissions were received in the Full Survey. Out of this, **628** were self-financing institutes, **71** government institutes, **36** government-aided institutes and **17** institutes were in “others” category.

Result of AICTE- CII Survey:

Total **755** institutions were participated in the AICTE- CII Survey 2018. Out of total 755 participation, **145** institutes are placed in “**Platinum**” rank, **302** institutes are placed in “**Gold**” rank and **307** institutes are placed in “**Silver**” rank
