

PRIYADARSHINI COLLEGE OF ENGINEERING, NAGPUR

SESSION: 2022-2023

Department: Artificial Intelligence and Data Science

Subject: Seminar on Interview & Interpersonal Skills

Mode of Conduction: Offline

Venue: Seminar Hall, AI&DS Building PCE Nagpur

Day/Date: Tuesday, 04 Oct. 2022

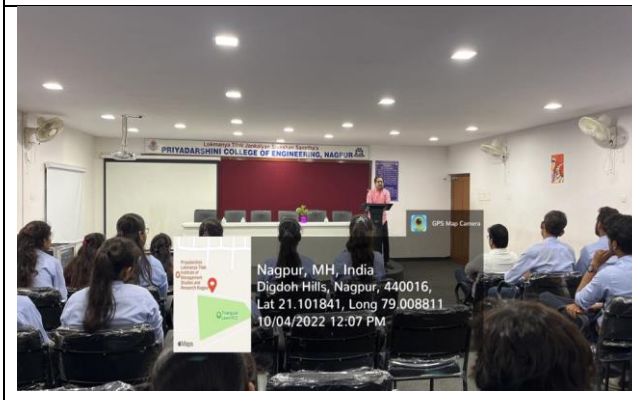

Semester/Section: 5th SEM (Sec-A, Sec-B)

No of Participants: 95

Speaker: Mr. Lalit Gunani

Purpose: For students to have an opportunity to understand the selection processes of companies, we propose the following content of the workshop:

- Personal Interview-Frequently Asked Questions (PI-FAQ)
- Logical framework of responses
- Resume Building
- Grooming Discussion – Do's and Don'ts
- Content Generation Techniques

Outcome: Students learn to challenge habitual behaviours and thought patterns replacing them with more positive ones. They become conscious of and manage, their own state of mind.
