**One Day Industrial Visit of PCE Students to Mahanad Milk Processing Industry Ltd.**

A one-day Industrial visit to well esteemed plant ABC Polymer Ltd, Nagpur is organized on 08 & 13 March 2022 for the students of Third/Final Year B.Tech. Chemical Engineering of Priyadarshini College of Engineering &, Nagpur. Mahanad Milk Processing Industry Ltd. Industrial unit is located in MIDC, Wadi-Hingna Road, Nagpur region. This visit is organized successfully by Prof. Dr. Kiran Bhuyar Coordinator, industrial Visit & CHESS & Prof. Anushri Vaidya, Asst. Professor, Dept. of Chemical Engg., PIET, Nagpur.

Such industrial visits give exposure to the students about industrial environment. Er. Rajesh Mukunde explains details about how quality should control through research and development work which plays important role in any industrial growth. During this visit, students get aware about industrial sections like transportation & handling of raw material, production unit, R & D section, marketing section etc. helped to permit this visit at plant.

All 3<sup>rd</sup> Year Chemical Engg. students were present to this visit. The visit is organized as part of CHESS activity. Dr. S. R. Mote Head, Chemical Engg. & Dr. S. A. Dhale were appreciated the efforts of Prof. Kiran Bhuyar to make this visit very successful. Management of LTJSS has fully supported this industrial exposure.
