DEPARTMENT OF CIVIL ENGINEERING

Session 2023-24

Name of Event : Presentation on Subject- Fluid Mechanics
Date of Event: 17/10/2023 , 18/10/2023 & 19/10/2023
Faculty coordinator(s): Ms.Vaishali P. kesalkar
Attended by: IIIrd Semester (Section-A)
No.of Participants: 60
Objective/Purpose: The output of a Fluid Mechanics presentation is that students gain theoretical understanding, problem-solving skills, and practical awareness of fluid behavior and applications.

Photo(s)

Remarks/Outcomes:

Students understand fluid properties, apply laws, analyze flow, solve problems, and relate fluid mechanics concepts to real-world applications.

Students understand fundamentals of fluid mechanics, differentiate flow types, apply laws, and connect theoretical principles with real engineering practices
