DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Professional Society

CSI	IEEE	ISTE	ACM
Computer Society of India (CSI) is amongst the largest and most vibrant chapters of CSI. Programs conducted by CSI have been benchmark programs for other chapters of CSI and event managers alike. Many industry stalwarts are associated with CSI.	The IEEE is the world's largest professional association advancing innovation and technological excellence for the benefit of humanity. IEEE and its members inspire a global community to innovate for a better tomorrow through its highly-cited publications, conferences, technology standards, and professional and educational activities. IEEE is the trusted voice? for engineering, computing and technology information around the globe.	The International Society for Technology in Education (ISTE) is the premier nonprofit organization serving educators and education leaders committed to empowering connected learners in a connected world. ISTE serves more than 100,000 education stakeholders throughout the world. ISTE membership is a powerful way for educators to connect with peers, share knowledge and ideas, and help lead the transformation of education. ISTE also offers innovative ed tech resources to support professional learning for educators and education leaders.	The ACM is the world's largest educational and scientific computing society, aimed at increasing the level and visibility of ACM activities across World. The ACM activities, involving both academia and industry in computing, include research, organization of high-quality computing conferences, advancing Computer Science education, and awards to recognize achievement.
