

Organized By: Electronics and Telecommunication Engineering.

Attended By: ISF Students & Faculty members of the department.

Venue: ETC Seminar Hall

Date: 14/07/2025

Event : DEBATE COMPETITION

Purpose: The primary purpose of organizing a debate competition is to foster critical thinking, enhance public speaking skills, and encourage healthy exchange of ideas among students. It helps in building confidence, improving communication abilities, and nurturing the art of persuasion and respectful disagreement.

Conducted by: Dr.V. G. Girhepunje (IETE Student Forum Incharge)

Guests : Dr.V.K.Takshande (H.O.D ETC , Dean student welfare at PCE)

Remarks/Conclusion:

The debate competition organized by IETE Students Forum was a great success and an enriching experience for all. The participants showcased commendable confidence, in-depth knowledge, and clarity of thought on thought-provoking topics. It was truly inspiring to witness such passionate and respectful exchange of ideas. This event not only highlighted the importance of critical thinking and effective communication but also encouraged healthy competition and team spirit among students. We sincerely thank our esteemed judges for their valuable time and fair evaluation, and all participants for their enthusiastic involvement. We also extend our gratitude to the faculty coordinators and volunteers whose efforts made this event seamless and impactful. We hope to continue organizing such events that foster intellectual growth and provide a dynamic platform for our budding technocrats.
