

Priyadarshini College of Engineering ,Nagpur							
Department of Electronics & Telecommunication Engineering							
Activities Under MoU Signed							
Sr. No.	Name of the Department	Name of Event	Duration of the event(days)	Date	Type of the Event	Name of Resource Person/ Organization	No. of Students Benefited
Session 2025-26							
1	Electronics and Telecommunication	Guest Lecture on Pre-Placement Talk	1 Day	01-08-2025	Guest Lecture	Mr. Ashish Gadapayle, Founder, APS Microtech, Nagpur	40
2	Electronics and Telecommunication	Certificate Course on " Drone Aviation"	5 Days	28/07/2025 to 01/08/2025.	Certificate Course	Mr. Amit Thool, Managing Director, Dalvikapps-Design & Development, Mr. Gaurav Singh, CEO, We-Can Education and Mr. Darshan Ahire, Trainer, Delvikapps-Design & Development	64
3	Electronics and Telecommunication	Workshop on VLSI Projects and Hands-On on Various VLSI Circuits Design Using EDA Tools .	5 Days	4/8/2025 to 8/8/2025	Workshop	Dr..Bharti Y.Masram, Dr.Minal Keote, Y.C.C.E Nagpur	31
Session 2024-25							
1	Electronics and Telecommunication	A 5 day workshop on “Antenna Design,Simulation and fabrication aspects”	5 Days	12/09/2024 to 16/09/2024	Workshop	Dr.Sachin Khade ,YCCE,Nagpur	25
2	Electronics and Telecommunication	Certificate Course on C++ & JAVA	6 Days	26/08/2024 to 31/08/2024	Certificate Course	Mrs. Tanya Yadav and Mrs Affa Siddiqui, Dalvik Apps design and Development & WE CAN Education, Mumbai	48
3	Electronics and Telecommunication	Internship Programme for 4th sem on Web Development	-	4/1/2024 to 29/1/2024	Internship Program	Revat Network	28
4	Electronics and Telecommunication	Internship Programme for 4th sem on UI/UX Graphic Design InternWeb Development	-	3/1/2024 to 23/1/2024	Internship Program	Cluster Computing	7
5	Electronics and Telecommunication	Internship Programme for 4th sem on Full stack web Development	-	2/1/2024 to 23/1/2024	Internship Program	Cluster Computing	5
6	Electronics and Telecommunication	Internship Programme for 4th sem on Mobile Application Development	-	3/1/2024 to 23/1/2024	Internship Program	Cluster Computing	18

Sr. No.	Name of the Department	Name of Event	Duration of the event(days)	Date	Type of the Event	Name of Resource Person/ Organization	No. of Students Benefited
7	Electronics and Telecommunication	Internship Programme for 4th sem on Android App Development	-	1/1/2024 to 28/1/2024	Internship Program	Cluster Computing	1
8	Electronics and Telecommunication	Internship Programme for 4th sem on Machine Learning	-	2/1/2024 to 23/1/2024	Internship Program	Cluster Computing	5
9	Electronics and Telecommunication	Internship Programme for 6th sem on python	-	2/1/2024 to 10/2/2024	Internship Program	APS Microtech Pvt Ltd	2
10	Electronics and Telecommunication	Internship Programme for 6th sem on C & C++	-	2/1/2024 to 10/2/2024	Internship Program	APS Microtech Pvt Ltd	1
11	Electronics and Telecommunication	Internship Programme for 6th sem on Python Programming	-	2/1/2024 to 10/2/2024	Internship Program	APS Microtech Pvt Ltd	2
12	Electronics and Telecommunication	Internship Programme for 8th sem on Python	-	1/1/2024 to 10/2/2024	Internship Program	APS Microtech Pvt Ltd	1
13	Electronics and Telecommunication	Internship Programme for 8th sem on Web Development	-	15/1/2024 to 15/2/2024	Internship Program	Cluster Computing	1
14	Electronics and Telecommunication	Internship Programme for 8th sem on JAVA	-	1/3/2024 to 1/4/2024	Internship Program	Prevoyance IT Solutions	2
15	Electronics and Telecommunication	Internship Programme for 8th sem on Web Development	-	15/1/2023 to 15/1/2024	Internship Program	Revat Network	2
16	Electronics and Telecommunication	Value Added Course on Hands on Data Science Tools	5 Days	25/07/2023 to 29/07/2023	Value Added Course	Dr.M.L.Keote , Dr.R.S.Keote ,Prof.S.S.Chiwande YCCE, Nagpur	18
17	Electronics and Telecommunication	Certificate Course on Mixed Signal Design	6 Days	23/07/2023 to 28/07/2023	Certificate Course	Dr. Praveen Zode, Dr.D.B.Bhoyar , Dr. B.Y.Masram, YCCE	24

Sr. No.	Name of the Department	Name of Event	Duration of the event(days)	Date	Type of the Event	Name of Resource Person/ Organization	No. of Students Benefited
Session 2022-23							
1	Electronics and Telecommunication	Value Added Course on Hands on "Hands on Workshop on 8051 Microcontroller"	30 Days	1/04/2023 to 30/04/2023	Value Added Course	Yashwantrao Chavan College of Engineering, Nagpur	17
2	Electronics and Telecommunication	Six Days Online Student Development Programme on VLSI Front End and Back End Design for Industry	6 Days	17/02/2023 to 22/02/2023	Online Student Development Programme	Yashwantrao Chavan College of Engineering, Nagpur	20
3	Electronics and Telecommunication	Certificate Course on Raspberry Pi	5 Days	6/2/2023 to 10/02/2023	Certificate Course	Mr. Amit Thool, Managing Director, Dalvikapps-Design & Development, Mr. Gaurav Singh, CEO, We-Can Education and Mr. Darshan Ahire, Trainer, Davikapps-Design & Development	49
4	Electronics and Telecommunication	A Seminar on"Entrepreneurship Development & Technical Workshop"	1 Day	23-09-2022	Seminar	Mr. Mayur Nimje, Founder, Brainz1 Techup, Nagpur.	85
5	Electronics and Telecommunication	Certificate Course on C & C++ Language	5 Days	30/11/2022 to 4/02/2023	Certificate Course	Mr. Ashish Gadapayle, Founder, APS Microtech, Nagpur	70
6	Electronics and Telecommunication	Certificate course on " Drone Aviation"	5 Days	26/09/2022 to 30/09/2022	Certificate Course	Mr. Amit Thool, Managing Director, Delvikapps-Design & Development, Mr. Gaurav Singh, CEO, We-Can Education and Mr. Darshan Ahire, Trainer, Delvikapps-Design & Development	115
Session 2021-22							
1	Electronics and Telecommunication	Seminar on Roadmap to carrier in Cyber Security	1 Day	07-11-2022	Seminar	Risewell Cyber Security	73
2	Electronics and Telecommunication	Seminar on Entrepreneurship Development & Technical Workshop	1 Day	23-09-2022	Seminar	Mr. Mayur Nimje, Founder of Brainz1 Techup, Nagpur.	115
