Action taken report on feedback received from stakeholders

Feedback from stakeholders is an important measure for the enrichment of the quality of the curriculum. The institute has a well defined feedback mechanism of feed by the stakeholders i.e students, teachers, parents , alumni and industry persons. The suggestion received from these stakeholders is useful for required improvement. It is also useful to identify the curricular gaps and to take measures to bridge it by supplementing the curriculum with add on courses, guest lectures, workshops, seminars, industrial visits, excursion tours etc.

Every individual department takes feedback from stakeholders and prepares the action taken report. This report is submitted to the IQAC Coordinator, based on all these suggestions an action taken report is prepared. Action taken report as per recommendations based on the assessment of the feedback from stakeholders received from all departments in enriching the curriculum is as given below for Session 2017-18

Action taken related to Curriculum Revision:

The contribution of the institution in the design and development of the curriculum prepared by the university is based on the feedback received from the stakeholders. Many faculty member have contributed in syllabus framing workshops. They have communicated the curricular gaps to the Board of studies to bring changes as a reference for the next curriculum revision. Based on these suggestion the curriculum of Undergraduate programs was revised from 2012-13 to 15-16 progressively (From 1st year to final year). The curriculum of Post graduate programs was changed from 2016-17 progressively.
