Department of Computer Technology and Information Technology have organised entrepreneurs interaction meet with faculty and Head of the departments in the presence of Dr. S.P. Muley Head of the Business Incubation and Entrepreneurs cell, PCE, Nagpur on dated 15-Jan-2022.

Purpose / Objective:

1. To know about new entrepreneurs of the department.
2. To know how they pursued their objective.
3. To know what they are developing and manufacturing product or services for the society.
4. To know how and when they will interact with our students to motivate them.

Remark/Outcome:

Everyone interacted with faculty and discussed their success story , to achieve their aim to start own business. And shared the type of problem they have faced and how they overcome. They have explain about Break Even Ratio in business and balance between life and business. They are ready to interact with students in future the same to motivate our students and the meeting ended with vote of thanks to the all entrepreneurs.
